English Grammar Practice

Advanced Grammar for Clear, Flexible English

MEANING

先看意思

Understand what the speaker or writer means.

FORM

再看结构

Build the grammar accurately.

USE

最后会使用

Choose it in real English.

How this book works 本书使用方法

Work through 21 units in order, or use one unit for focused practice. Read the English first. Use Chinese only when precision support is useful. Complete the mixed reviews without looking back.

按顺序学习，也可选择一个单元进行针对性练习。先读英文；需要准确理解时再使用中文。完成混合复习时不要翻看前文。

Name 姓名

Class 班级

Teacher 教师

William Morris

Contents 目录

Work through the book in order, or use one unit for focused practice.

可以按顺序学习，也可以针对薄弱语法选择单元进行补练。

Unit	Grammar focus	中文主题
1	Cross-sentence time and aspect	跨句时间与体貌
2	Narrator and source viewpoints	叙述者与来源视角
3	Lexical aspect and perfect meaning	词汇体与完成体意义
4	Projected futures and contingency	未来投射与或然性
5	Academic stance and scope	学术立场与范围
6	Past inference and unreal alternatives	过去推断与非现实替代
7	Cross-time conditions and preferences	跨时条件与偏好
8	Voice, evidence and responsibility	语态、证据与责任
9	Evidential distance in reporting	报告中的证据距离
10	Source integration and stance	来源整合与立场
11	Complement clauses and information weight	补语从句与信息重量
12	Dense relative clause choices	密集定语从句选择
13	Advanced participle clauses	高级分词从句
14	Complex participant patterns	复杂参与者结构
15	Nominalisation and information flow	名词化与信息流
16	Information-dense noun phrases	信息密集型名词短语
17	Determiner scope in academic prose	学术语篇中的限定范围
18	Information structure and focus	信息结构与焦点
19	Inversion for formal emphasis	正式强调中的倒装
20	Logic across clauses and nominalisations	从句与名词化中的逻辑
21	Sustained cohesion and balance	持续衔接与结构平衡

Unit 1 Cross-sentence time and aspect

跨句时间与体貌

Diagnose and repair cross-sentence time/aspect choices before advanced production.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Present simple 一般现在时	Use the present simple for stable facts, routines and repeated processes. 一般现在时用于稳定事实、习惯和反复过程。	The laboratory records every temperature change.
Present continuous 现在进行时	Use the present continuous for temporary, developing or current activity. 现在进行时用于暂时、正在发展或当前进行的活动。	Researchers are monitoring the river this month.
Past simple 一般过去时	Use the past simple for a completed event at a finished past time. 一般过去时用于在已结束过去时间内完成的事件。	The council approved the proposal last Tuesday.
Past continuous 过去进行时	Use the past continuous for an activity in progress around a past event. 过去进行时用于某个过去事件发生前后正在进行的活动。	The audience was waiting when the speaker arrived.

Remember 记住

Use the present simple for stable facts, routines and repeated processes.

一般现在时用于稳定事实、习惯和反复过程。

Quick check 快速检查

1. Which sentence best shows Present simple?

(A) Researchers are monitoring the river this month. (B) The council approved the proposal last Tuesday. (C) The laboratory records every temperature change.

Unit 1 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Present simple?

(A) Researchers are monitoring the river this month. (B) The council approved the proposal last Tuesday. (C) The laboratory records every temperature change.

2. Which sentence best shows Present continuous?

(A) Researchers are monitoring the river this month. (B) The laboratory records every temperature change. (C) The council approved the proposal last Tuesday.

3. Which sentence best shows Past simple?

(A) The laboratory records every temperature change. (B) The council approved the proposal last Tuesday. (C) Researchers are monitoring the river this month.

4. Which sentence best shows Past continuous?

(A) The laboratory records every temperature change. (B) The audience was waiting when the speaker arrived. (C) Researchers are monitoring the river this month.

B. Complete the sentence 完成句子

1. The laboratory _____ every temperature change.
2. Researchers _____ the river this month.
3. The council _____ the proposal last Tuesday.
4. The audience _____ when the speaker arrived.

Unit 1 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Present simple: *The laboratory is recording every temperature change.*

Rewrite 改写:

2. Rewrite to show Present continuous: *Researchers monitor the river this month.*

Rewrite 改写:

3. Rewrite to show Past simple: *The council has approved the proposal last Tuesday.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Present simple and one showing Present continuous.

2. Edit and explain a time-shifted analytical narrative.

Useful stage-bank language: appraise, discern, grasp

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 2 Narrator and source viewpoints

叙述者与来源视角

Control time and deictic reference when moving between narrator and source viewpoints.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Past perfect simple 过去完成时	Use the past perfect simple for an event completed before a later past reference point. 过去完成时用于在另一个过去参照点之前已经完成的事件。	By noon, the technicians had repaired the fault.
Past perfect continuous 过去完成进行时	Use the past perfect continuous to emphasise duration or activity before a past point. 过去完成进行时强调某个过去时间点之前的持续时间或活动。	They had been working for hours before the system failed.
Narrative sequence 叙事顺序	Use the past simple for the main event line after earlier background has been established. 交代更早背景后，主要事件线通常用一般过去时。	After the team had checked the data, it published the report.
Future in the past 过去视角中的将来	Use would, was going to or was due to for a future event viewed from the past. 从过去看未来时，可用 would、was going to 或 was due to。	We believed the change would improve access.

Remember 记住

Use the past perfect simple for an event completed before a later past reference point.

过去完成时用于在另一个过去参照点之前已经完成的事件。

Quick check 快速检查

1. Which sentence best shows Past perfect simple?

(A) By noon, the technicians had repaired the fault. (B) They had been working for hours before the system failed. (C) After the team had checked the data, it published the report.

Unit 2 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Past perfect simple?

(A) By noon, the technicians had repaired the fault. (B) They had been working for hours before the system failed. (C) After the team had checked the data, it published the report.

2. Which sentence best shows Past perfect continuous?

(A) By noon, the technicians had repaired the fault. (B) They had been working for hours before the system failed. (C) After the team had checked the data, it published the report.

3. Which sentence best shows Narrative sequence?

(A) By noon, the technicians had repaired the fault. (B) After the team had checked the data, it published the report. (C) They had been working for hours before the system failed.

4. Which sentence best shows Future in the past?

(A) By noon, the technicians had repaired the fault. (B) They had been working for hours before the system failed. (C) We believed the change would improve access.

B. Complete the sentence 完成句子

1. By noon, the technicians _____ the fault.
2. They _____ for hours before the system failed.
3. After the team had checked the data, it _____ the report.
4. We believed the change _____ access.

Unit 2 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Past perfect simple: *By noon, the technicians repaired the fault.*

Rewrite 改写:

2. Rewrite to show Past perfect continuous: *They were working for hours before the system failed.*

Rewrite 改写:

3. Rewrite to show Narrative sequence: *After the team had checked the data, it had published the report.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Past perfect simple and one showing Past perfect continuous.

2. Write a source-informed retrospective account.

Useful stage-bank language: mediate, coordinate, delegate

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 3 Lexical aspect and perfect meaning

词汇体与完成体意义

Choose perfect simple or continuous from lexical aspect and discourse focus.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Past simple 一般过去时	Choose the past simple when the time is finished and separate from now. 当时间已经结束且与现在分开时，用一般过去时。	We completed the first trial in March.
Present perfect simple 现在完成时	Use the present perfect for a past event with a present result or unfinished time frame. 现在完成时用于具有现在结果的过去事件，或尚未结束的时间范围。	We have completed three trials so far.
Present perfect continuous 现在完成进行时	Use the present perfect continuous to emphasise continuing activity or recent process. 现在完成进行时强调持续到现在的活动或近期过程。	The team has been testing the device all morning.
State with since or for 状态与 since/for	For continuing states, the present perfect simple is often more natural than the continuous. 持续状态通常更适合使用现在完成时，而不是现在完成进行时。	She has known the result for two days.

Remember 记住

Choose the past simple when the time is finished and separate from now.

当时间已经结束且与现在分开时，用一般过去时。

Quick check 快速检查

1. Which sentence best shows Past simple?

(A) We have completed three trials so far. (B) We completed the first trial in March. (C) The team has been testing the device all morning.

Unit 3 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Past simple?

(A) We have completed three trials so far. (B) We completed the first trial in March. (C) The team has been testing the device all morning.

2. Which sentence best shows Present perfect simple?

(A) We completed the first trial in March. (B) We have completed three trials so far. (C) The team has been testing the device all morning.

3. Which sentence best shows Present perfect continuous?

(A) We completed the first trial in March. (B) We have completed three trials so far. (C) The team has been testing the device all morning.

4. Which sentence best shows State with since or for?

(A) She has known the result for two days. (B) We completed the first trial in March. (C) We have completed three trials so far.

B. Complete the sentence 完成句子

1. We _____ the first trial in March.

2. We _____ three trials so far.

3. The team _____ the device all morning.

4. She _____ the result for two days.

Unit 3 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Past simple: *We have completed the first trial in March.*

Rewrite 改写:

2. Rewrite to show Present perfect simple: *We completed three trials so far.*

Rewrite 改写:

3. Rewrite to show Present perfect continuous: *The team tested the device all morning.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Past simple and one showing Present perfect simple.

2. Create paired evidence statements with deliberately different focus.

Useful stage-bank language: incremental, volatile, negligible

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 4 Projected futures and contingency

未来投射与或然性

Represent planned, predicted and conditional future states with calibrated certainty.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Future continuous 将来进行时	Use will be + -ing for an activity in progress at a future time. will be + -ing 表示将来某时正在进行的活动。	At this time tomorrow, we will be presenting our findings.
Future perfect 将来完成时	Use will have + past participle for completion before a future deadline. will have + 过去分词表示在将来截止时间前完成。	By Friday, the class will have submitted every project.
Future perfect continuous 将来完成进行时	Use will have been + -ing to emphasise duration up to a future point. will have been + -ing 强调持续到将来某点的时间长度。	By June, she will have been teaching here for five years.
Projected condition 预期条件	Use if, provided that or unless to make the condition behind a projection explicit. 用 if, provided that 或 unless 明确预测所依赖的条件。	The targets will remain achievable provided that funding continues.

Remember 记住

Use will be + -ing for an activity in progress at a future time.

will be + -ing 表示将来某时正在进行的活动。

Quick check 快速检查

1. Which sentence best shows Future continuous?

- (A) By Friday, the class will have submitted every project. (B) By June, she will have been teaching here for five years.
(C) At this time tomorrow, we will be presenting our findings.

Unit 4 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Future continuous?

- (A) By Friday, the class will have submitted every project. (B) At this time tomorrow, we will be presenting our findings.
(C) By June, she will have been teaching here for five years.

2. Which sentence best shows Future perfect?

- (A) At this time tomorrow, we will be presenting our findings. (B) By June, she will have been teaching here for five years.
(C) By Friday, the class will have submitted every project.

3. Which sentence best shows Future perfect continuous?

- (A) By June, she will have been teaching here for five years. (B) At this time tomorrow, we will be presenting our findings.
(C) By Friday, the class will have submitted every project.

4. Which sentence best shows Projected condition?

- (A) At this time tomorrow, we will be presenting our findings. (B) The targets will remain achievable provided that funding continues.
(C) By Friday, the class will have submitted every project.

B. Complete the sentence 完成句子

- At this time tomorrow, we _____ our findings.
- By Friday, the class _____ every project.
- By June, she _____ here for five years.
- The targets will remain achievable _____.

Unit 4 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Future continuous: *At this time tomorrow, we present our findings.*

Rewrite 改写:

2. Rewrite to show Future perfect: *By Friday, the class will submit every project.*

Rewrite 改写:

3. Rewrite to show Future perfect continuous: *By June, she will be teaching here for five years.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Future continuous and one showing Future perfect.

2. Produce a scenario-based forecast with explicit assumptions.

Useful stage-bank language: act as a catalyst for, ripple effect, precipitate

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 5 Academic stance and scope

学术立场与范围

Adjust the strength, scope and source of an academic claim.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Possibility 可能性	Use may or might when evidence supports possibility but not certainty. 证据只支持可能性而非确定性时，用 may 或 might。	The difference might reflect a temporary change.
Strong likelihood 高度可能	Use be bound to or be highly likely to for a strong prediction. be bound to 或 be highly likely to 表示强烈预测。	Clearer instructions are likely to improve completion rates.
Hedged inference 弱化推断	Use seem, appear or tend to when evidence supports a cautious inference rather than a fact. 证据只支持谨慎推断而非事实时，可用 seem、appear 或 tend to。	The variation appears to reflect seasonal demand.
Evidence frame 证据框架	Name the evidence source before stating a calibrated conclusion. 先说明证据来源，再给出强度合适的结论。	According to the survey, most participants preferred the revised format.

Remember 记住

Use may or might when evidence supports possibility but not certainty.

证据只支持可能性而非确定性时，用 may 或 might。

Quick check 快速检查

1. Which sentence best shows Possibility?

(A) The difference might reflect a temporary change. (B) Clearer instructions are likely to improve completion rates. (C) The variation appears to reflect seasonal demand.

Unit 5 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Possibility?

(A) Clearer instructions are likely to improve completion rates. (B) The variation appears to reflect seasonal demand. (C) The difference might reflect a temporary change.

2. Which sentence best shows Strong likelihood?

(A) Clearer instructions are likely to improve completion rates. (B) The difference might reflect a temporary change. (C) The variation appears to reflect seasonal demand.

3. Which sentence best shows Hedged inference?

(A) The difference might reflect a temporary change. (B) The variation appears to reflect seasonal demand. (C) Clearer instructions are likely to improve completion rates.

4. Which sentence best shows Evidence frame?

(A) The difference might reflect a temporary change. (B) According to the survey, most participants preferred the revised format. (C) Clearer instructions are likely to improve completion rates.

B. Complete the sentence 完成句子

1. The difference _____ a temporary change.
2. Clearer instructions _____ completion rates.
3. The variation _____ seasonal demand.
4. _____, most participants preferred the revised format.

Unit 5 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Possibility: *The difference must reflect a temporary change.*

Rewrite 改写:

2. Rewrite to show Strong likelihood: *Clearer instructions might improving completion rates.*

Rewrite 改写:

3. Rewrite to show Hedged inference: *The variation proves seasonal demand.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Possibility and one showing Strong likelihood.

2. Revise a paragraph to create justified cautious and firm versions.

Useful stage-bank language: conceptual distinction, point of divergence, inverse relationship

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 6 Past inference and unreal alternatives

过去推断与非现实替代

Separate evidential inference from normative judgement and hypothetical alternatives.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Must have 对过去的肯定推断	Use must have + past participle for a strong logical conclusion about the past. must have + 过去分词表示对过去的强烈逻辑推断。	The road is wet; it must have rained overnight.
Cannot have 对过去的否定推断	Use cannot have + past participle when past evidence makes something impossible. cannot have + 过去分词表示根据过去证据判断不可能发生。	She cannot have seen the notice because it was posted later.
Might have 过去可能性	Use might have + past participle for an uncertain past possibility. might have + 过去分词表示不确定的过去可能性。	The error might have resulted from a faulty sensor.
Should have 过去未实现的期望或批评	Use should have + past participle for an unmet expectation, regret or criticism. should have + 过去分词表示未实现的期望、遗憾或批评。	We should have checked the figures before publication.

Remember 记住

Use must have + past participle for a strong logical conclusion about the past.

must have + 过去分词表示对过去的强烈逻辑推断。

Quick check 快速检查

1. Which sentence best shows Must have?

(A) She cannot have seen the notice because it was posted later. (B) The road is wet; it must have rained overnight. (C) The error might have resulted from a faulty sensor.

Unit 6 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows **Must have**?

(A) The road is wet; it must have rained overnight. (B) She cannot have seen the notice because it was posted later. (C) The error might have resulted from a faulty sensor.

2. Which sentence best shows **Cannot have**?

(A) The road is wet; it must have rained overnight. (B) She cannot have seen the notice because it was posted later. (C) The error might have resulted from a faulty sensor.

3. Which sentence best shows **Might have**?

(A) The road is wet; it must have rained overnight. (B) The error might have resulted from a faulty sensor. (C) She cannot have seen the notice because it was posted later.

4. Which sentence best shows **Should have**?

(A) The road is wet; it must have rained overnight. (B) She cannot have seen the notice because it was posted later. (C) We should have checked the figures before publication.

B. Complete the sentence 完成句子

1. The road is wet; it _____ overnight.
2. She _____ the notice because it was posted later.
3. The error _____ from a faulty sensor.
4. We _____ the figures before publication.

Unit 6 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Must have*: *The road is wet; it must rain overnight.*

Rewrite 改写:

2. Rewrite to show *Cannot have*: *She did not can see the notice because it was posted later.*

Rewrite 改写:

3. Rewrite to show *Might have*: *The error might resulted from a faulty sensor.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Must have* and one showing *Cannot have*.

2. Write an evidence-led evaluation of a past decision.

Useful stage-bank language: empirical evidence, verifiable, trace a claim

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 7 Cross-time conditions and preferences

跨时条件与偏好

Construct logically coherent cross-time causes, consequences and desired alternatives.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
First conditional 第一条件句	Use the first conditional for a realistic future condition and likely result. 第一条件句用于现实的将来条件及其可能结果。	If the weather improves, we will collect more samples.
Second conditional 第二条件句	Use the second conditional for an unreal or unlikely present or future situation. 第二条件句用于现在或将来不真实或不太可能的情况。	If the school had more space, it would open another laboratory.
Wish about the past 对过去的遗憾	Use wish + past perfect for regret about a completed past situation. 对已完成的过去情况表示遗憾，用 wish + 过去完成时。	They wish they had checked the figures earlier.
Would rather 宁愿结构	Use would rather + subject + past form for a preferred present or future action by another person. 表达希望他人现在或将来采取某行动时，用 would rather + 主语 + 过去式。	We would rather the supplier delivered the parts tomorrow.

Remember 记住

Use the first conditional for a realistic future condition and likely result.

第一条件句用于现实的将来条件及其可能结果。

Quick check 快速检查

1. Which sentence best shows First conditional?

- (A) If the school had more space, it would open another laboratory. (B) They wish they had checked the figures earlier.
(C) If the weather improves, we will collect more samples.

Unit 7 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows First conditional?

(A) If the school had more space, it would open another laboratory. (B) If the weather improves, we will collect more samples. (C) They wish they had checked the figures earlier.

2. Which sentence best shows Second conditional?

(A) If the weather improves, we will collect more samples. (B) If the school had more space, it would open another laboratory. (C) They wish they had checked the figures earlier.

3. Which sentence best shows Wish about the past?

(A) If the weather improves, we will collect more samples. (B) If the school had more space, it would open another laboratory. (C) They wish they had checked the figures earlier.

4. Which sentence best shows Would rather?

(A) We would rather the supplier delivered the parts tomorrow. (B) If the weather improves, we will collect more samples. (C) If the school had more space, it would open another laboratory.

B. Complete the sentence 完成句子

1. If the weather _____, we will collect more samples.
2. If the school _____ more space, it would open another laboratory.
3. They wish they _____ the figures earlier.
4. We would rather the supplier _____ the parts tomorrow.

Unit 7 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show First conditional: *If the weather will improve, we will collect more samples.*

Rewrite 改写:

2. Rewrite to show Second conditional: *If the school would have more space, it would open another laboratory.*

Rewrite 改写:

3. Rewrite to show Wish about the past: *They wish they checked the figures earlier.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing First conditional and one showing Second conditional.

2. Develop a counterfactual explanation and preferred alternative.

Useful stage-bank language: advance an argument, counter an objection, expose a contradiction

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Review 1 Units 1-7

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) Did researchers are monitoring the river this month. (B) Researchers are monitoring the river this month. (C) Because researchers are monitoring the river this month.

2. Choose the grammatically accurate sentence.

(A) Did after the team had checked the data, it published the report. (B) Because after the team had checked the data, it published the report. (C) After the team had checked the data, it published the report.

3. Choose the grammatically accurate sentence.

(A) She has known the result for two days. (B) Did she has known the result for two days. (C) Because she has known the result for two days.

4. Choose the grammatically accurate sentence.

(A) Did the difference might reflect a temporary change. (B) The difference might reflect a temporary change. (C) Because the difference might reflect a temporary change.

5. Choose the grammatically accurate sentence.

(A) Did she cannot have seen the notice because it was posted later. (B) Because she cannot have seen the notice because it was posted later. (C) She cannot have seen the notice because it was posted later.

6. Choose the grammatically accurate sentence.

(A) They wish they had checked the figures earlier. (B) Did they wish they had checked the figures earlier. (C) Because they wish they had checked the figures earlier.

7. Choose the grammatically accurate sentence.

(A) Did the audience was waiting when the speaker arrived. (B) The audience was waiting when the speaker arrived. (C) Because the audience was waiting when the speaker arrived.

8. Choose the grammatically accurate sentence.

(A) Did we completed the first trial in March. (B) Because we completed the first trial in March. (C) We completed the first trial in March.

9. Choose the grammatically accurate sentence.

(A) By Friday, the class will have submitted every project. (B) Did by Friday, the class will have submitted every project. (C) Because by Friday, the class will have submitted every project.

10. Choose the grammatically accurate sentence.

(A) Did the variation appears to reflect seasonal demand. (B) The variation appears to reflect seasonal demand. (C) Because the variation appears to reflect seasonal demand.

11. Choose the grammatically accurate sentence.

(A) Did we should have checked the figures before publication. (B) Because we should have checked the figures before publication. (C) We should have checked the figures before publication.

12. Choose the grammatically accurate sentence.

(A) The laboratory records every temperature change. (B) Did the laboratory records every temperature change. (C) Because the laboratory records every temperature change.

Review 1 Build + repair

B. Build it 构建语法

1. Researchers _____ the river this month.
2. We _____ the first trial in March.
3. The targets will remain achievable _____.
4. The error _____ from a faulty sensor.
5. Researchers _____ the river this month.
6. We _____ the first trial in March.
7. The targets will remain achievable _____.
8. The error _____ from a faulty sensor.

C. Repair it 改错

1. *Did the audience was waiting when the speaker arrived.*

2. *Did at this time tomorrow, we will be presenting our findings.*

3. *Did she cannot have seen the notice because it was posted later.*

4. *Did the council approved the proposal last Tuesday.*

Review 1 Edit + write

D. Editing challenge 编辑挑战

Did researchers are monitoring the river this month. Because at this time tomorrow, we will be presenting our findings. Did we should have checked the figures before publication.

E. Independent writing 独立写作

Write 100–150 words. Use at least four different grammar choices from this review and underline them.

Review reflection 复习反思

Name one contrast you can now explain and one form that needs another loopback.

写出一个你现在能解释的语法对比，以及一个需要再次复习的结构。

Unit 8 Voice, evidence and responsibility

语态、证据与责任

Select voice to manage topic, evidence, procedure and responsibility transparently.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Agentless passive 省略施事者的被动语态	Use a passive when the process or result matters more than the agent. 当过程或结果比施事者更重要时，用被动语态。	The samples were stored at a constant temperature.
Passive with agent 带施事者的被动语态	Include by + agent when the identity of the agent is relevant or contrasting. 当施事者身份相关或需要对比时，用 by + 施事者。	The final design was approved by the safety committee.
Non-finite passive 非限定被动式	Use to be + past participle or being + past participle in non-finite passive clauses. 非限定被动结构可用 to be + 过去分词 或 being + 过去分词。	The equipment needs to be inspected before use.
Get-passive get 被动	Use get + past participle mainly for events or changes, often with an affected subject. get + 过去分词常用于事件或变化，主语往往受到影响。	Several files got damaged during the transfer.

Remember 记住

Use a passive when the process or result matters more than the agent.

当过程或结果比施事者更重要时，用被动语态。

Quick check 快速检查

1. Which sentence best shows Agentless passive?

(A) The samples were stored at a constant temperature. (B) The final design was approved by the safety committee. (C) The equipment needs to be inspected before use.

Unit 8 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Agentless passive?

(A) The final design was approved by the safety committee. (B) The samples were stored at a constant temperature. (C) The equipment needs to be inspected before use.

2. Which sentence best shows Passive with agent?

(A) The samples were stored at a constant temperature. (B) The equipment needs to be inspected before use. (C) The final design was approved by the safety committee.

3. Which sentence best shows Non-finite passive?

(A) The equipment needs to be inspected before use. (B) The samples were stored at a constant temperature. (C) The final design was approved by the safety committee.

4. Which sentence best shows Get-passive?

(A) The samples were stored at a constant temperature. (B) Several files got damaged during the transfer. (C) The final design was approved by the safety committee.

B. Complete the sentence 完成句子

1. The samples _____ at a constant temperature.
2. The final design _____ by the safety committee.
3. The equipment needs _____ before use.
4. Several files _____ during the transfer.

Unit 8 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Agentless passive: *The samples stored at a constant temperature.*

Rewrite 改写:

2. Rewrite to show Passive with agent: *The final design approved by the safety committee.*

Rewrite 改写:

3. Rewrite to show Non-finite passive: *The equipment needs to inspect before use.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Agentless passive and one showing Passive with agent.

2. Recast a methods/event paragraph and justify agent choices.

Useful stage-bank language: weigh the evidence, cost-benefit analysis, proportional

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 9 Evidential distance in reporting

报告中的证据距离

Create appropriate evidential distance without presenting uncertain reports as facts.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
It is said that It is said that 结构	Use an impersonal reporting passive when the source is general, shared or not the main focus. 来源笼统、共有或不是重点时，可用非人称报告被动。	It is reported that the river level is falling.
Subject is said to 主语报告被动	Move the reported subject forward with subject + passive reporting verb + to-infinitive. 用主语 + 报告动词被动式 + 不定式，把报道对象置于句首。	The new treatment is believed to reduce recovery time.
Earlier reported event 较早的被报道事件	Use a perfect infinitive after a reporting passive when the reported event is earlier. 被报道事件发生得更早时，在报告被动后用完成不定式。	The vessel is thought to have left the port overnight.
Ongoing reported event 进行中的被报道事件	Use to be + -ing after a reporting passive for an event in progress at the reference time. 表示参照时间正在进行的被报道事件，用 to be + -ing。	The company is understood to be negotiating a new contract.

Remember 记住

Use an impersonal reporting passive when the source is general, shared or not the main focus.

来源笼统、共有或不是重点时，可用非人称报告被动。

Quick check 快速检查

1. Which sentence best shows It is said that?

(A) The new treatment is believed to reduce recovery time. (B) It is reported that the river level is falling. (C) The vessel is thought to have left the port overnight.

Unit 9 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows It is said that?

(A) The new treatment is believed to reduce recovery time. (B) The vessel is thought to have left the port overnight. (C) It is reported that the river level is falling.

2. Which sentence best shows Subject is said to?

(A) The new treatment is believed to reduce recovery time. (B) It is reported that the river level is falling. (C) The vessel is thought to have left the port overnight.

3. Which sentence best shows Earlier reported event?

(A) It is reported that the river level is falling. (B) The vessel is thought to have left the port overnight. (C) The new treatment is believed to reduce recovery time.

4. Which sentence best shows Ongoing reported event?

(A) It is reported that the river level is falling. (B) The company is understood to be negotiating a new contract. (C) The new treatment is believed to reduce recovery time.

B. Complete the sentence 完成句子

- _____ the river level is falling.
- The new treatment _____ recovery time.
- The vessel is thought _____ the port overnight.
- The company is understood _____ a new contract.

Unit 9 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *It is said that*: *It reports that the river level is falling.*

Rewrite 改写:

2. Rewrite to show *Subject is said to*: *The new treatment believes to reduce recovery time.*

Rewrite 改写:

3. Rewrite to show *Earlier reported event*: *The vessel is thought to leave the port overnight.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *It is said that* and one showing *Subject is said to*.

2. Write a cautious overview from mixed-confidence sources.

Useful stage-bank language: social justice, institutional trust, civic participation

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 10 Source integration and stance

来源整合与立场

Integrate sources accurately and signal relationship to their claims.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Verb + that-clause 动词 + that 从句	Use reporting verbs such as claim, explain or acknowledge before a that-clause. claim、explain、acknowledge 等转述动词可接 that 从句。	The author acknowledges that the sample was limited.
Verb + -ing 动词 + -ing	Some reporting verbs, including admit and deny, are followed by an -ing form. admit、deny 等转述动词后接 -ing 形式。	The company denied hiding the test results.
Verb + to-infinitive 动词 + 不定式	Promise, refuse, agree and offer are commonly followed by a to-infinitive. promise、refuse、agree、offer 通常后接不定式。	The council agreed to review the policy.
Verb + preposition + -ing 动词 + 介词 + -ing	Some reporting patterns require a preposition before an -ing form. 部分转述结构要求在 -ing 形式前使用介词。	The researcher apologised for omitting the reference.

Remember 记住

Use reporting verbs such as claim, explain or acknowledge before a that-clause.

claim、explain、acknowledge 等转述动词可接 that 从句。

Quick check 快速检查

1. Which sentence best shows Verb + that-clause?

(A) The company denied hiding the test results. (B) The council agreed to review the policy. (C) The author acknowledges that the sample was limited.

Unit 10 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Verb + that-clause?

(A) The author acknowledges that the sample was limited. (B) The company denied hiding the test results. (C) The council agreed to review the policy.

2. Which sentence best shows Verb + -ing?

(A) The author acknowledges that the sample was limited. (B) The company denied hiding the test results. (C) The council agreed to review the policy.

3. Which sentence best shows Verb + to-infinitive?

(A) The author acknowledges that the sample was limited. (B) The council agreed to review the policy. (C) The company denied hiding the test results.

4. Which sentence best shows Verb + preposition + -ing?

(A) The author acknowledges that the sample was limited. (B) The company denied hiding the test results. (C) The researcher apologised for omitting the reference.

B. Complete the sentence 完成句子

1. The author _____ the sample was limited.
2. The company _____ the test results.
3. The council _____ the policy.
4. The researcher _____ the reference.

Unit 10 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Verb + *that*-clause: *The author acknowledges the sample was limited.*

Rewrite 改写:

2. Rewrite to show Verb + *-ing*: *The company denied to hide the test results.*

Rewrite 改写:

3. Rewrite to show Verb + *to*-infinitive: *The council agreed reviewing the policy.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Verb + *that*-clause and one showing Verb + *-ing*.

2. Synthesize three short source positions in one paragraph.

Useful stage-bank language: digital literacy, media ecosystem, misinformation

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 11 Complement clauses and information weight

补语从句与信息重量

Choose a complement structure that controls subject, stance and information weight.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Finite that-clause 限定 that 从句	Use a finite that-clause when the complement needs its own tense and explicit proposition. 补语需要独立时态和完整命题时，用限定 that 从句。	The review confirms that the procedure is safe.
Wh-complement clause wh 补语从句	Use statement word order in an embedded wh-clause. 嵌入式 wh 从句使用陈述语序。	We need to determine why the readings changed.
To-infinitive complement 不定式补语	Use a to-infinitive when control and intended action are clear from the main clause. 控制关系和预期动作从主句可明确判断时，用不定式补语。	The panel agreed to publish the full dataset.
-ing complement -ing 补语	Use an -ing clause after verbs that frame an activity as experienced, considered or completed. 动词把活动视为经历、考虑或完成的内容时，可用 -ing 从句。	The manager considered extending the pilot programme.

Remember 记住

Use a finite that-clause when the complement needs its own tense and explicit proposition.

补语需要独立时态和完整命题时，用限定 that 从句。

Quick check 快速检查

1. Which sentence best shows Finite that-clause?

(A) The review confirms that the procedure is safe. (B) We need to determine why the readings changed. (C) The panel agreed to publish the full dataset.

Unit 11 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Finite that-clause?

(A) We need to determine why the readings changed. (B) The review confirms that the procedure is safe. (C) The panel agreed to publish the full dataset.

2. Which sentence best shows Wh-complement clause?

(A) The review confirms that the procedure is safe. (B) We need to determine why the readings changed. (C) The panel agreed to publish the full dataset.

3. Which sentence best shows To-infinitive complement?

(A) The review confirms that the procedure is safe. (B) We need to determine why the readings changed. (C) The panel agreed to publish the full dataset.

4. Which sentence best shows -ing complement?

(A) The manager considered extending the pilot programme. (B) The review confirms that the procedure is safe. (C) We need to determine why the readings changed.

B. Complete the sentence 完成句子

1. The review confirms _____.
2. We need to determine _____.
3. The panel agreed _____ the full dataset.
4. The manager considered _____ the pilot programme.

Unit 11 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Finite that-clause*: *The review confirms the procedure to be safe.*

Rewrite 改写:

2. Rewrite to show *Wh-complement clause*: *We need to determine why did the readings change.*

Rewrite 改写:

3. Rewrite to show *To-infinitive complement*: *The panel agreed publishing the full dataset.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Finite that-clause* and one showing *Wh-complement clause*.

2. Recast evaluation statements in multiple complement patterns.

Useful stage-bank language: global interdependence, supply chain, resource allocation

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 12 Dense relative clause choices

密集定语从句选择

Add dense supporting information while preserving reference and punctuation.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Defining relative clause 限制性定语从句	A defining relative clause identifies which person or thing is meant and has no commas. 限制性定语从句说明具体指哪一个人或事物，不使用逗号。	Students who submit early receive detailed feedback.
Non-defining relative clause 非限制性定语从句	A non-defining relative clause adds extra information and is separated by commas. 非限制性定语从句补充额外信息，并用逗号隔开。	The report, which was published yesterday, includes new evidence.
-ing reduced relative -ing 缩减定语从句	Use an -ing clause to reduce an active relative clause when the reference is clear. 指代清楚时，可用 -ing 从句缩减主动定语从句。	Students living on campus can use the library late.
Past-participle relative 过去分词缩减定语从句	Use a past participle to reduce a passive relative clause. 可用过去分词缩减被动定语从句。	The data collected in May showed a clear trend.

Remember 记住

A defining relative clause identifies which person or thing is meant and has no commas.

限制性定语从句说明具体指哪一个人或事物，不使用逗号。

Quick check 快速检查

1. Which sentence best shows Defining relative clause?

(A) The report, which was published yesterday, includes new evidence. (B) Students who submit early receive detailed feedback. (C) Students living on campus can use the library late.

Unit 12 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Defining relative clause?

(A) The report, which was published yesterday, includes new evidence. (B) Students who submit early receive detailed feedback. (C) Students living on campus can use the library late.

2. Which sentence best shows Non-defining relative clause?

(A) Students who submit early receive detailed feedback. (B) Students living on campus can use the library late. (C) The report, which was published yesterday, includes new evidence.

3. Which sentence best shows -ing reduced relative?

(A) Students living on campus can use the library late. (B) Students who submit early receive detailed feedback. (C) The report, which was published yesterday, includes new evidence.

4. Which sentence best shows Past-participle relative?

(A) Students who submit early receive detailed feedback. (B) The data collected in May showed a clear trend. (C) The report, which was published yesterday, includes new evidence.

B. Complete the sentence 完成句子

1. Students _____ receive detailed feedback.
2. The report, _____, includes new evidence.
3. Students _____ can use the library late.
4. The data _____ showed a clear trend.

Unit 12 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Defining relative clause: *Students who submits early receive detailed feedback.*

Rewrite 改写:

2. Rewrite to show Non-defining relative clause: *The report, that was published yesterday, includes new evidence.*

Rewrite 改写:

3. Rewrite to show -ing reduced relative: *Students lived on campus can use the library late.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Defining relative clause and one showing Non-defining relative clause.

2. Write and edit a compact biographical or concept profile.

Useful stage-bank language: adaptability, professional integrity, ethical leadership

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 13 Advanced participle clauses

高级分词从句

Compress relations of time, reason, condition or concession only with a valid understood subject.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Participle-clause subject 分词从句的主语控制	The understood subject of a participle clause must match the subject of the main clause. 分词从句的隐含主语必须与主句主语一致。	Having reviewed the evidence, the panel revised its decision.
Perfect participle clause 完成分词从句	Use having + past participle when the participle event clearly precedes the main event. 分词事件明确早于主句事件时，用 having + 过去分词。	Having completed the audit, the team issued its findings.
Passive participle clause 被动分词从句	Use a past-participle clause when its understood subject receives the action. 隐含主语承受动作时，用过去分词从句。	Designed for small teams, the tool is easy to configure.
Concessive participle clause 让步分词从句	A participle clause introduced by although or while can express a recoverable concession. 由 although 或 while 引导的分词从句可表达清晰可恢复的让步关系。	Although limited by time, the researchers completed the comparison.

Remember 记住

The understood subject of a participle clause must match the subject of the main clause.

分词从句的隐含主语必须与主句主语一致。

Quick check 快速检查

1. Which sentence best shows Participle-clause subject?

- (A) Having completed the audit, the team issued its findings. (B) Designed for small teams, the tool is easy to configure.
(C) Having reviewed the evidence, the panel revised its decision.

Unit 13 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Participle-clause subject?

- (A) Having completed the audit, the team issued its findings. (B) Designed for small teams, the tool is easy to configure.
(C) Having reviewed the evidence, the panel revised its decision.

2. Which sentence best shows Perfect participle clause?

- (A) Having completed the audit, the team issued its findings. (B) Having reviewed the evidence, the panel revised its decision.
(C) Designed for small teams, the tool is easy to configure.

3. Which sentence best shows Passive participle clause?

- (A) Having reviewed the evidence, the panel revised its decision. (B) Designed for small teams, the tool is easy to configure.
(C) Having completed the audit, the team issued its findings.

4. Which sentence best shows Concessive participle clause?

- (A) Having reviewed the evidence, the panel revised its decision. (B) Although limited by time, the researchers completed the comparison.
(C) Having completed the audit, the team issued its findings.

B. Complete the sentence 完成句子

1. _____ the evidence, the panel revised its decision.
2. _____ the audit, the team issued its findings.
3. _____ for small teams, the tool is easy to configure.
4. _____ by time, the researchers completed the comparison.

Unit 13 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Participle-clause subject*: *Having been reviewed the evidence, the panel revised its decision.*

Rewrite 改写:

2. Rewrite to show *Perfect participle clause*: *Completing the audit, the team issued its findings.*

Rewrite 改写:

3. Rewrite to show *Passive participle clause*: *Designing for small teams, the tool is easy to configure.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Participle-clause subject* and one showing *Perfect participle clause*.

2. Condense an analytical paragraph and expand it to verify meaning.

Useful stage-bank language: subtext, allegory, unreliable narrator

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 14 Complex participant patterns

复杂参与者结构

Track who performs, experiences or is represented as doing an action in complex patterns.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Have something done have something done 结构	Use have + object + past participle when arranging for another person to perform a service. 安排他人提供服务时，用 have + 宾语 + 过去分词。	We had the laboratory equipment tested yesterday.
Make or let + object make/let + 宾语	Use make or let + object + bare infinitive; let gives permission and make causes action. make 或 let 后用 宾语 + 动词原形；let 表示允许，make 表示促使。	The supervisor made the team repeat the measurement.
Allow + object + to-infinitive allow + 宾语 + 不定式	Use allow + object + to-infinitive to express permission. allow + 宾语 + 不定式表示允许。	The new system allows users to compare several options.
Get + object + to-infinitive get + 宾语 + 不定式	Use get + object + to-infinitive when persuading or arranging for someone to act. get + 宾语 + 不定式表示说服或安排某人做某事。	We got every participant to complete the survey.

Remember 记住

Use have + object + past participle when arranging for another person to perform a service.

安排他人提供服务时，用 have + 宾语 + 过去分词。

Quick check 快速检查

1. Which sentence best shows Have something done?

(A) We had the laboratory equipment tested yesterday. (B) The supervisor made the team repeat the measurement. (C) The new system allows users to compare several options.

Unit 14 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Have something done?

(A) We had the laboratory equipment tested yesterday. (B) The supervisor made the team repeat the measurement. (C) The new system allows users to compare several options.

2. Which sentence best shows Make or let + object?

(A) We had the laboratory equipment tested yesterday. (B) The supervisor made the team repeat the measurement. (C) The new system allows users to compare several options.

3. Which sentence best shows Allow + object + to-infinitive?

(A) We had the laboratory equipment tested yesterday. (B) The new system allows users to compare several options. (C) The supervisor made the team repeat the measurement.

4. Which sentence best shows Get + object + to-infinitive?

(A) We had the laboratory equipment tested yesterday. (B) The supervisor made the team repeat the measurement. (C) We got every participant to complete the survey.

B. Complete the sentence 完成句子

1. We _____ yesterday.
2. The supervisor _____ the measurement.
3. The new system _____ several options.
4. We _____ the survey.

Unit 14 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Have something done*: *We had tested the laboratory equipment yesterday.*

Rewrite 改写:

2. Rewrite to show *Make or let + object*: *The supervisor made the team to repeat the measurement.*

Rewrite 改写:

3. Rewrite to show *Allow + object + to-infinitive*: *The new system allows users compare several options.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Have something done* and one showing *Make or let + object*.

2. Describe evidence and delegated action with explicit participant roles.

Useful stage-bank language: cogent, problematic, oversimplified

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Review 2 Units 8-14

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) Did the equipment needs to be inspected before use. (B) Because the equipment needs to be inspected before use. (C) The equipment needs to be inspected before use.

2. Choose the grammatically accurate sentence.

(A) The company is understood to be negotiating a new contract. (B) Did the company is understood to be negotiating a new contract. (C) Because the company is understood to be negotiating a new contract.

3. Choose the grammatically accurate sentence.

(A) Did the review confirms that the procedure is safe. (B) The review confirms that the procedure is safe. (C) Because the review confirms that the procedure is safe.

4. Choose the grammatically accurate sentence.

(A) Did the report, which was published yesterday, includes new evidence. (B) Because the report, which was published yesterday, includes new evidence. (C) The report, which was published yesterday, includes new evidence.

5. Choose the grammatically accurate sentence.

(A) Designed for small teams, the tool is easy to configure. (B) Did designed for small teams, the tool is easy to configure. (C) Because designed for small teams, the tool is easy to configure.

6. Choose the grammatically accurate sentence.

(A) Did we got every participant to complete the survey. (B) We got every participant to complete the survey. (C) Because we got every participant to complete the survey.

7. Choose the grammatically accurate sentence.

(A) Did it is reported that the river level is falling. (B) Because it is reported that the river level is falling. (C) It is reported that the river level is falling.

8. Choose the grammatically accurate sentence.

(A) The company denied hiding the test results. (B) Did the company denied hiding the test results. (C) Because the company denied hiding the test results.

9. Choose the grammatically accurate sentence.

(A) Did the panel agreed to publish the full dataset. (B) The panel agreed to publish the full dataset. (C) Because the panel agreed to publish the full dataset.

10. Choose the grammatically accurate sentence.

(A) Did the data collected in May showed a clear trend. (B) Because the data collected in May showed a clear trend. (C) The data collected in May showed a clear trend.

11. Choose the grammatically accurate sentence.

(A) We had the laboratory equipment tested yesterday. (B) Did we had the laboratory equipment tested yesterday. (C) Because we had the laboratory equipment tested yesterday.

12. Choose the grammatically accurate sentence.

(A) Did the final design was approved by the safety committee. (B) The final design was approved by the safety committee. (C) Because the final design was approved by the safety committee.

Review 2 Build + repair

B. Build it 构建语法

1. The equipment needs _____ before use.
2. The company _____ the test results.
3. Students _____ receive detailed feedback.
4. _____ by time, the researchers completed the comparison.
5. The equipment needs _____ before use.
6. The company _____ the test results.
7. Students _____ receive detailed feedback.
8. _____ by time, the researchers completed the comparison.

C. Repair it 改错

1. *Did it is reported that the river level is falling.*

2. *Did we need to determine why the readings changed.*

3. *Did designed for small teams, the tool is easy to configure.*

4. *Did several files got damaged during the transfer.*

Review 2 Edit + write

D. Editing challenge 编辑挑战

Did the equipment needs to be inspected before use. Because we need to determine why the readings changed. Did we had the laboratory equipment tested yesterday.

E. Independent writing 独立写作

Write 100–150 words. Use at least four different grammar choices from this review and underline them.

Review reflection 复习反思

Name one contrast you can now explain and one form that needs another loopback.

写出一个你现在能解释的语法对比，以及一个需要再次复习的结构。

Unit 15 Nominalisation and information flow

名词化与信息流

Use nominalisation selectively to manage abstraction, cohesion and information flow.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Process nominalisation 过程名词化	Recast a process as a noun when the process becomes the topic of discussion. 过程成为讨论主题时，可把动词过程改写为名词。	The rapid expansion of the service created new risks.
Quality nominalisation 性质名词化	Recast an adjective as a noun to discuss the quality itself, not simply to sound formal. 需要讨论性质本身时，可把形容词改为名词，而不是只为显得正式。	The accuracy of the measurements improved after calibration.
Visible agent 保留施事者	Retain an of-phrase or by-phrase when the actor is important to interpretation. 施事者对理解重要时，应保留 of 短语或 by 短语。	The committee's rejection of the proposal surprised the authors.
Unpack a dense noun phrase 拆解密集名词短语	Turn a heavy nominal group back into a clause when it improves transparency. 密集名词短语影响透明度时，应还原为从句。	Because the market changed rapidly, the forecast became unreliable.

Remember 记住

Recast a process as a noun when the process becomes the topic of discussion.

过程成为讨论主题时，可把动词过程改写为名词。

Quick check 快速检查

1. Which sentence best shows Process nominalisation?

(A) The accuracy of the measurements improved after calibration. (B) The rapid expansion of the service created new risks. (C) The committee's rejection of the proposal surprised the authors.

Unit 15 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Process nominalisation?

(A) The accuracy of the measurements improved after calibration. (B) The rapid expansion of the service created new risks. (C) The committee's rejection of the proposal surprised the authors.

2. Which sentence best shows Quality nominalisation?

(A) The rapid expansion of the service created new risks. (B) The accuracy of the measurements improved after calibration. (C) The committee's rejection of the proposal surprised the authors.

3. Which sentence best shows Visible agent?

(A) The rapid expansion of the service created new risks. (B) The accuracy of the measurements improved after calibration. (C) The committee's rejection of the proposal surprised the authors.

4. Which sentence best shows Unpack a dense noun phrase?

(A) Because the market changed rapidly, the forecast became unreliable. (B) The rapid expansion of the service created new risks. (C) The accuracy of the measurements improved after calibration.

B. Complete the sentence 完成句子

1. The rapid _____ of the service created new risks.
2. The _____ of the measurements improved after calibration.
3. The _____ of the proposal surprised the authors.
4. _____, the forecast became unreliable.

Unit 15 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Process nominalisation: *The rapid expand of the service created new risks.*

Rewrite 改写:

2. Rewrite to show Quality nominalisation: *The accurate of the measurements improved after calibration.*

Rewrite 改写:

3. Rewrite to show Visible agent: *The proposal's rejection of the proposal surprised the authors.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Process nominalisation and one showing Quality nominalisation.

2. Create clear verbal and nominal versions of the same explanation.

Useful stage-bank language: concede a point, reframe an issue, undermine

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 16 Information-dense noun phrases

信息密集型名词短语

Build information-dense noun phrases while controlling head, attachment and readability.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Premodifier 前置修饰语	Place concise classifying or descriptive words before the head noun. 把简洁的分类或描述成分放在中心名词之前。	The team proposed a low-cost monitoring system.
Postmodifying phrase 后置修饰短语	Put longer prepositional or participle information after the head noun. 较长的介词或分词信息通常放在中心名词之后。	The evidence from three independent trials supports the claim.
Appositive phrase 同位语短语	Use an appositive noun phrase to rename a clear preceding noun, with punctuation when supplementary. 同位语名词短语用于重述前面的明确名词；补充性同位语要用标点隔开。	Dr Chen, the project leader, presented the revised schedule.
Complement of a noun 名词补语	Use a that-clause after nouns such as fact, claim or possibility when the clause completes their meaning. fact、claim、possibility 等名词后可用 that 从句补全意义。	The possibility that demand will rise cannot be ignored.

Remember 记住

Place concise classifying or descriptive words before the head noun.

把简洁的分类或描述成分放在中心名词之前。

Quick check 快速检查

1. Which sentence best shows Premodifier?

(A) The evidence from three independent trials supports the claim. (B) Dr Chen, the project leader, presented the revised schedule. (C) The team proposed a low-cost monitoring system.

Unit 16 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Premodifier?

- (A) The evidence from three independent trials supports the claim. (B) The team proposed a low-cost monitoring system.
(C) Dr Chen, the project leader, presented the revised schedule.

2. Which sentence best shows Postmodifying phrase?

- (A) The team proposed a low-cost monitoring system. (B) Dr Chen, the project leader, presented the revised schedule. (C)
The evidence from three independent trials supports the claim.

3. Which sentence best shows Appositive phrase?

- (A) Dr Chen, the project leader, presented the revised schedule. (B) The team proposed a low-cost monitoring system. (C)
The evidence from three independent trials supports the claim.

4. Which sentence best shows Complement of a noun?

- (A) The team proposed a low-cost monitoring system. (B) The possibility that demand will rise cannot be ignored. (C)
The evidence from three independent trials supports the claim.

B. Complete the sentence 完成句子

- The team proposed a _____.
- The evidence _____ supports the claim.
- Dr Chen, _____, presented the revised schedule.
- The possibility _____ cannot be ignored.

Unit 16 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Premodifier*: *The team proposed a system monitoring low-cost.*

Rewrite 改写:

2. Rewrite to show *Postmodifying phrase*: *The evidence three independent trials from supports the claim.*

Rewrite 改写:

3. Rewrite to show *Appositive phrase*: *Dr Chen, who the project leader, presented the revised schedule.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing **Premodifier** and one showing **Postmodifying phrase**.

2. Expand and then strategically unpack research-related noun phrases.

Useful stage-bank language: confounding variable, control group, cross-sectional study

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 17 Determiner scope in academic prose

学术语篇中的限定范围

Maintain article and determiner logic in abstract academic prose.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Generic reference 泛指	Use plural count nouns or uncountable nouns without an article for a general class or idea. 泛指一类事物或概念时，复数可数名词或不可数名词通常不用冠词。	Reliable evidence supports careful decision-making.
Specific reference 特指	Use the when the listener can identify the particular person, thing or set. 听者能够确定具体所指的人、事物或集合时，用 the。	The evidence collected in this trial is confidential.
Each and every each 与 every	Each focuses on members individually; every treats all members of a group as a complete set. each 强调个体成员；every 把群体所有成员看作整体。	Each participant received a unique code.
Quantified groups 量化群体	Use expressions such as the majority of, a minority of and a proportion of with accurate agreement. the majority of、a minority of、a proportion of 等表达要注意准确的一致关系。	A majority of the respondents supported the change.

Remember 记住

Use plural count nouns or uncountable nouns without an article for a general class or idea.

泛指一类事物或概念时，复数可数名词或不可数名词通常不用冠词。

Quick check 快速检查

1. Which sentence best shows Generic reference?

(A) Reliable evidence supports careful decision-making. (B) The evidence collected in this trial is confidential. (C) Each participant received a unique code.

Unit 17 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Generic reference?

(A) The evidence collected in this trial is confidential. (B) Each participant received a unique code. (C) Reliable evidence supports careful decision-making.

2. Which sentence best shows Specific reference?

(A) The evidence collected in this trial is confidential. (B) Reliable evidence supports careful decision-making. (C) Each participant received a unique code.

3. Which sentence best shows Each and every?

(A) Reliable evidence supports careful decision-making. (B) Each participant received a unique code. (C) The evidence collected in this trial is confidential.

4. Which sentence best shows Quantified groups?

(A) Reliable evidence supports careful decision-making. (B) A majority of the respondents supported the change. (C) The evidence collected in this trial is confidential.

B. Complete the sentence 完成句子

1. _____ supports careful decision-making.
2. _____ collected in this trial is confidential.
3. _____ received a unique code.
4. _____ supported the change.

Unit 17 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Generic reference*: *The reliable evidence supports careful decision-making.*

Rewrite 改写:

2. Rewrite to show *Specific reference*: *Evidence collected in this trial is confidential.*

Rewrite 改写:

3. Rewrite to show *Each and every*: *Every participants received a unique code.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing **Generic reference** and one showing **Specific reference**.

2. Edit a concept explanation for reference consistency.

Useful stage-bank language: cascading failure, systemic risk, risk exposure

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 18 Information structure and focus

信息结构与焦点

Reorganise a clause to foreground contrast or place complex information effectively.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
It-cleft it 分裂句	Use an it-cleft to place contrastive focus on one constituent without changing the basic proposition. 用 it 分裂句把对比焦点放在一个成分上，同时保持基本命题不变。	It was the second trial that revealed the fault.
Wh-cleft wh 分裂句	Use a wh-cleft to introduce a known issue and place new information after be. 用 wh 分裂句引出已知问题，并把新信息放在 be 之后。	What the team needs is a clearer sampling plan.
Fronted adverbial 前置状语	Front an adverbial to establish a frame, then punctuate it clearly before the main clause. 把状语前置以建立语篇框架，并在主句前清楚使用标点。	After the second review, the committee approved the protocol.
End weight 尾重原则	Place long or complex new information later when this improves processing. 较长或复杂的新信息放在后部能改善理解时，应遵循尾重原则。	The analysis revealed a pattern that had not appeared in the pilot data.

Remember 记住

Use an it-cleft to place contrastive focus on one constituent without changing the basic proposition.

用 it 分裂句把对比焦点放在一个成分上，同时保持基本命题不变。

Quick check 快速检查

1. Which sentence best shows It-cleft?

(A) What the team needs is a clearer sampling plan. (B) It was the second trial that revealed the fault. (C) After the second review, the committee approved the protocol.

Unit 18 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows It-cleft?

(A) It was the second trial that revealed the fault. (B) What the team needs is a clearer sampling plan. (C) After the second review, the committee approved the protocol.

2. Which sentence best shows Wh-cleft?

(A) It was the second trial that revealed the fault. (B) What the team needs is a clearer sampling plan. (C) After the second review, the committee approved the protocol.

3. Which sentence best shows Fronted adverbial?

(A) It was the second trial that revealed the fault. (B) After the second review, the committee approved the protocol. (C) What the team needs is a clearer sampling plan.

4. Which sentence best shows End weight?

(A) It was the second trial that revealed the fault. (B) What the team needs is a clearer sampling plan. (C) The analysis revealed a pattern that had not appeared in the pilot data.

B. Complete the sentence 完成句子

1. It was _____ that revealed the fault.
2. _____ is a clearer sampling plan.
3. _____, the committee approved the protocol.
4. The analysis revealed _____.

Unit 18 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *It-cleft*: *It was the fault that revealed the fault.*

Rewrite 改写:

2. Rewrite to show *Wh-cleft*: *The team what needs is a clearer sampling plan.*

Rewrite 改写:

3. Rewrite to show *Fronted adverbial*: *The committee after the second review, the committee approved the protocol.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *It-cleft* and one showing *Wh-cleft*.

2. Write neutral and focused versions of a claim and explain the difference.

Useful stage-bank language: cultural relativism, universal principle, moral ambiguity

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 19 Inversion for formal emphasis

正式强调中的倒装

Use selected inversion patterns where formal emphasis and meaning justify them.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Negative adverbial inversion 否定状语倒装	After a fronted negative or limiting adverbial, invert the auxiliary and subject. 否定或限制性状语前置后，助动词与主语倒装。	Never before had the team observed such a rapid change.
Only after inversion only after 倒装	When only after begins the sentence, invert the main clause, not the after-clause. only after 位于句首时，主句倒装，而 after 从句不倒装。	Only after the data were checked did the error become clear.
Not until inversion not until 倒装	When not until is fronted, invert the following main clause. not until 前置时，其后的主句要倒装。	Not until the final test did the device operate reliably.
Not only ... but also not only...but also 结构	Use inversion after a fronted not only and keep the paired structures parallel. not only 前置时使用倒装，并保持成对结构平行。	Not only did the policy reduce costs, but it also improved access.

Remember 记住

After a fronted negative or limiting adverbial, invert the auxiliary and subject.

否定或限制性状语前置后，助动词与主语倒装。

Quick check 快速检查

1. Which sentence best shows Negative adverbial inversion?

- (A) Only after the data were checked did the error become clear. (B) Not until the final test did the device operate reliably.
(C) Never before had the team observed such a rapid change.

Unit 19 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Negative adverbial inversion?

(A) Only after the data were checked did the error become clear. (B) Never before had the team observed such a rapid change. (C) Not until the final test did the device operate reliably.

2. Which sentence best shows Only after inversion?

(A) Never before had the team observed such a rapid change. (B) Only after the data were checked did the error become clear. (C) Not until the final test did the device operate reliably.

3. Which sentence best shows Not until inversion?

(A) Never before had the team observed such a rapid change. (B) Only after the data were checked did the error become clear. (C) Not until the final test did the device operate reliably.

4. Which sentence best shows Not only ... but also?

(A) Not only did the policy reduce costs, but it also improved access. (B) Never before had the team observed such a rapid change. (C) Only after the data were checked did the error become clear.

B. Complete the sentence 完成句子

1. Never before _____ such a rapid change.

2. Only after the data were checked _____ clear.

3. Not until the final test _____ reliably.

4. Not only _____ costs, but it also improved access.

Unit 19 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Negative adverbial inversion*: *Never before the team had observed such a rapid change.*

Rewrite 改写:

2. Rewrite to show *Only after inversion*: *Only after the data were checked the error became clear.*

Rewrite 改写:

3. Rewrite to show *Not until inversion*: *Not until the final test the device operated reliably.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Negative adverbial inversion* and one showing *Only after inversion*.

2. Produce and edit a small set of context-rich emphasis sentences.

Useful stage-bank language: literature review, embed a quotation, cross-source synthesis

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 20 Logic across clauses and nominalisations

从句与名词化中的逻辑

Choose a grammatical form that matches logic, information density and register.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Reason: clause or phrase 原因：从句或短语	Use because + clause but because of/due to + noun phrase. because 后接从句；because of/due to 后接名词短语。	The event was postponed because the venue was unavailable.
Result 结果	Use so + adjective/adverb + that, or such + noun phrase + that, to express a strong result. so + 形容词/副词 + that 或 such + 名词短语 + that 可表达强烈结果。	The instructions were so clear that everyone finished on time.
Concession 让步	Use although/even though + clause but despite/in spite of + noun phrase or -ing. although/even though 后接从句；despite/in spite of 后接名词短语或 -ing。	Despite facing several delays, the team completed the project.
Purpose 目的	Use to/in order to + verb, or so that + clause, to express purpose. to/in order to + 动词 或 so that + 从句 用于表达目的。	We repeated the test so that we could verify the result.

Remember 记住

Use because + clause but because of/due to + noun phrase.

because 后接从句；because of/due to 后接名词短语。

Quick check 快速检查

1. Which sentence best shows Reason: clause or phrase?

(A) The event was postponed because the venue was unavailable. (B) The instructions were so clear that everyone finished on time. (C) Despite facing several delays, the team completed the project.

Unit 20 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Reason: clause or phrase?

(A) The instructions were so clear that everyone finished on time. (B) The event was postponed because the venue was unavailable. (C) Despite facing several delays, the team completed the project.

2. Which sentence best shows Result?

(A) The event was postponed because the venue was unavailable. (B) Despite facing several delays, the team completed the project. (C) The instructions were so clear that everyone finished on time.

3. Which sentence best shows Concession?

(A) Despite facing several delays, the team completed the project. (B) The event was postponed because the venue was unavailable. (C) The instructions were so clear that everyone finished on time.

4. Which sentence best shows Purpose?

(A) The event was postponed because the venue was unavailable. (B) We repeated the test so that we could verify the result. (C) The instructions were so clear that everyone finished on time.

B. Complete the sentence 完成句子

1. The event was postponed _____.
2. The instructions were _____ everyone finished on time.
3. _____ several delays, the team completed the project.
4. We repeated the test _____ the result.

Unit 20 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Reason: clause or phrase: *The event was postponed because of the venue was unavailable.*

Rewrite 改写:

2. Rewrite to show Result: *The instructions were such clear that everyone finished on time.*

Rewrite 改写:

3. Rewrite to show Concession: *Although facing several delays, the team completed the project.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Reason: clause or phrase and one showing Result.

2. Recast a short argument through clause, phrase and nominal structures.

Useful stage-bank language: policy framework, regulatory oversight, public mandate

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 21 Sustained cohesion and balance

持续衔接与结构平衡

Maintain recoverable reference and balanced structure across a sustained text.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Reference chain 指代链	Keep pronouns and demonstratives linked to one clear noun or idea. 代词和指示词必须清楚地指向一个名词或概念。	The proposal was revised, and this made it clearer.
Substitution 替代	Use one/ones, so, not or do so to avoid unnecessary repetition when the reference is clear. 指代清楚时，可用 one/ones、so、not 或 do so 避免不必要重复。	Some groups repeated the test, but ours did not do so.
Ellipsis 省略	Omit repeated words only when the missing meaning can be recovered easily. 只有在缺失信息容易恢复时，才能省略重复词语。	The first method was reliable; the second, less so.
Parallel coordination 平行并列	Coordinate elements with matching grammatical form when they serve the same function. 功能相同的并列成分应使用匹配的语法形式。	The role involves planning lessons, supporting teachers and reviewing data.

Remember 记住

Keep pronouns and demonstratives linked to one clear noun or idea.

代词和指示词必须清楚地指向一个名词或概念。

Quick check 快速检查

1. Which sentence best shows Reference chain?

(A) Some groups repeated the test, but ours did not do so. (B) The proposal was revised, and this made it clearer. (C) The first method was reliable; the second, less so.

Unit 21 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Reference chain?

(A) Some groups repeated the test, but ours did not do so. (B) The first method was reliable; the second, less so. (C) The proposal was revised, and this made it clearer.

2. Which sentence best shows Substitution?

(A) Some groups repeated the test, but ours did not do so. (B) The proposal was revised, and this made it clearer. (C) The first method was reliable; the second, less so.

3. Which sentence best shows Ellipsis?

(A) The proposal was revised, and this made it clearer. (B) The first method was reliable; the second, less so. (C) Some groups repeated the test, but ours did not do so.

4. Which sentence best shows Parallel coordination?

(A) The proposal was revised, and this made it clearer. (B) The role involves planning lessons, supporting teachers and reviewing data. (C) Some groups repeated the test, but ours did not do so.

B. Complete the sentence 完成句子

1. The proposal was revised, and _____ made it clearer.
2. Some groups repeated the test, but ours did not _____.
3. The first method was reliable; _____.
4. The role involves _____.

Unit 21 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Reference chain: *The proposal was revised, and these made it clearer.*

Rewrite 改写:

2. Rewrite to show Substitution: *Some groups repeated the test, but ours did not do it so.*

Rewrite 改写:

3. Rewrite to show Ellipsis: *The first method was reliable; the second was less.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Reference chain and one showing Substitution.

2. Edit a source-based argument and annotate cohesion chains.

Useful stage-bank language: policy framework, regulatory oversight, public mandate

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Review 3 Units 15-21

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) Because the market changed rapidly, the forecast became unreliable. (B) Did because the market changed rapidly, the forecast became unreliable. (C) Because because the market changed rapidly, the forecast became unreliable.

2. Choose the grammatically accurate sentence.

(A) Did reliable evidence supports careful decision-making. (B) Reliable evidence supports careful decision-making. (C) Because reliable evidence supports careful decision-making.

3. Choose the grammatically accurate sentence.

(A) Did what the team needs is a clearer sampling plan. (B) Because what the team needs is a clearer sampling plan. (C) What the team needs is a clearer sampling plan.

4. Choose the grammatically accurate sentence.

(A) Not until the final test did the device operate reliably. (B) Did not until the final test did the device operate reliably. (C) Because not until the final test did the device operate reliably.

5. Choose the grammatically accurate sentence.

(A) Did we repeated the test so that we could verify the result. (B) We repeated the test so that we could verify the result. (C) Because we repeated the test so that we could verify the result.

6. Choose the grammatically accurate sentence.

(A) Did the rapid expansion of the service created new risks. (B) Because the rapid expansion of the service created new risks. (C) The rapid expansion of the service created new risks.

7. Choose the grammatically accurate sentence.

(A) The evidence from three independent trials supports the claim. (B) Did the evidence from three independent trials supports the claim. (C) Because the evidence from three independent trials supports the claim.

8. Choose the grammatically accurate sentence.

(A) Did each participant received a unique code. (B) Each participant received a unique code. (C) Because each participant received a unique code.

9. Choose the grammatically accurate sentence.

(A) Did the analysis revealed a pattern that had not appeared in the pilot data. (B) Because the analysis revealed a pattern that had not appeared in the pilot data. (C) The analysis revealed a pattern that had not appeared in the pilot data.

10. Choose the grammatically accurate sentence.

(A) The event was postponed because the venue was unavailable. (B) Did the event was postponed because the venue was unavailable. (C) Because the event was postponed because the venue was unavailable.

11. Choose the grammatically accurate sentence.

(A) Did some groups repeated the test, but ours did not do so. (B) Some groups repeated the test, but ours did not do so. (C) Because some groups repeated the test, but ours did not do so.

12. Choose the grammatically accurate sentence.

(A) Did the committee's rejection of the proposal surprised the authors. (B) Because the committee's rejection of the proposal surprised the authors. (C) The committee's rejection of the proposal surprised the authors.

Review 3 Build + repair

B. Build it 构建语法

1. _____, the forecast became unreliable.
2. _____ received a unique code.
3. Only after the data were checked _____ clear.
4. The proposal was revised, and _____ made it clearer.
5. _____, the forecast became unreliable.
6. _____ received a unique code.
7. Only after the data were checked _____ clear.
8. The proposal was revised, and _____ made it clearer.

C. Repair it 改错

1. *Did the evidence from three independent trials supports the claim.*

2. *Did after the second review, the committee approved the protocol.*

3. *Did we repeated the test so that we could verify the result.*

4. *Did the team proposed a low-cost monitoring system.*

Review 3 Edit + write

D. Editing challenge 编辑挑战

Did because the market changed rapidly, the forecast became unreliable. Because after the second review, the committee approved the protocol. Did some groups repeated the test, but ours did not do so.

E. Independent writing 独立写作

Write 100–150 words. Use at least four different grammar choices from this review and underline them.

Review reflection 复习反思

Name one contrast you can now explain and one form that needs another loopback.

写出一个你现在能解释的语法对比，以及一个需要再次复习的结构。

Final Mixed Review 综合复习

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) Did by noon, the technicians had repaired the fault. (B) By noon, the technicians had repaired the fault. (C) Because by noon, the technicians had repaired the fault.

2. Choose the grammatically accurate sentence.
