G12 English Grammar Practice

Teacher Answer Key

v0.1 practical classroom edition

Key principle 答案说明

Where a prompt permits several natural answers, accept any response that fits the intended meaning, context and grammatical form.

开放题可接受多种自然答案；答案必须符合目标意义、语境和语法形式。

Unit 1 Grammar diagnostics and appropriacy

Quick check: C

A: 1 C; 2 A; 3 B; 4 B

B: 1 supports; 2 to complete; 3 but; 4 is

C. Suggested corrections

1: The evidence supports the main conclusion.

2: The team hopes to complete the survey today.

3: The method was simple, but it produced reliable results.

D: Open answer. Check the stated contrast and accurate form.; Edit a multi-register diagnostic text and classify each repair.

Teaching focus 教学重点

A finite verb carries tense and can anchor a complete clause.

限定动词带有时态，能够构成完整分句的核心。

Unit 2 Aspect, distance and analytical focus

Quick check: A

A: 1 A; 2 B; 3 B; 4 C

B: 1 completed; 2 have completed; 3 has been testing; 4 has known

C. Suggested corrections

1: We completed the first trial in March.

2: We have completed three trials so far.

3: The team has been testing the device all morning.

D: Open answer. Check the stated contrast and accurate form.; Write two versions of an event with deliberately different distance and focus.

Teaching focus 教学重点

Choose the past simple when the time is finished and separate from now.

当时间已经结束且与现在分开时，用一般过去时。

Unit 3 Writer time, source time and event time

Quick check: B

A: 1 B; 2 B; 3 C; 4 A

B: 1 were; 2 the experiment had failed; 3 the following day; 4 boils

C. Suggested corrections

1: Mia said that the results were encouraging.

2: The teacher asked why the experiment had failed.

3: Leo said that he would finish the task the following day.

D: Open answer. Check the stated contrast and accurate form.; Integrate time-different sources into a coherent account.

Teaching focus 教学重点

After a past reporting verb, backshift the tense when the viewpoint moves into the past.

过去时转述动词后，如果视角移到过去，通常要进行时态后移。

Unit 4 Evidential stance and scope

Quick check: C

A: 1 B; 2 C; 3 A; 4 B

B: 1 might reflect; 2 are likely to improve; 3 appears to reflect; 4 According to the survey

C. Suggested corrections

1: The difference might reflect a temporary change.

2: Clearer instructions are likely to improve completion rates.

3: The variation appears to reflect seasonal demand.

D: Open answer. Check the stated contrast and accurate form.; Produce calibrated versions of the same claim for different evidence strengths.

Teaching focus 教学重点

Use may or might when evidence supports possibility but not certainty.

证据只支持可能性而非确定性时，用 may 或 might。

Unit 5 Modal remoteness and interpersonal force

Quick check: A

A: 1 C; 2 A; 3 B; 4 B

B: 1 could extend; 2 would appreciate it if; 3 Were the trend to continue; 4 For small datasets

C. Suggested corrections

1: We could extend the pilot before adopting the policy nationally.

2: I would appreciate it if you could send the revised table.

3: Were the trend to continue, additional safeguards might be needed.

D: Open answer. Check the stated contrast and accurate form.; Rewrite proposals for consultation, negotiation and firm decision contexts.

Teaching focus 教学重点

Use could, might or would to present a proposal as open to discussion rather than imposed.

用 could、might 或 would 把建议表达为可讨论方案，而非强加要求。

Unit 6 Counterfactual evidence and causation

Quick check: B

A: 1 A; 2 B; 3 B; 4 C

B: 1 must have rained; 2 should have checked; 3 had followed; 4 had accepted

C. Suggested corrections

1: The road is wet; it must have rained overnight.

2: We should have checked the figures before publication.

3: If we had followed the map, we would not have got lost.

D: Open answer. Check the stated contrast and accurate form.; Write a bounded alternative explanation with evidence limits.

Teaching focus 教学重点

Use must have + past participle for a strong logical conclusion about the past.

must have + 过去分词表示对过去的强烈逻辑推断。

Unit 7 Formal conditional variants

Quick check: C

A: 1 B; 2 B; 3 C; 4 A

B: 1 Had the warning arrived; 2 Were the sample larger; 3 Should any problem arise; 4 delivered

C. Suggested corrections

1: Had the warning arrived earlier, the team would have acted.

2: Were the sample larger, the estimate would be more stable.

3: Should any problem arise, contact the support team immediately.

D: Open answer. Check the stated contrast and accurate form.; Produce and edit formal contingency statements.

Teaching focus 教学重点

Use had + subject + past participle as a formal alternative to an if-clause about the unreal past.

用 had + 主语 + 过去分词，正式替代关于非现实过去的 if 从句。

Unit 8 Agency and representation choices

Quick check: A

A: 1 B; 2 C; 3 A; 4 B

B: 1 The review board rejected; 2 were analysed; 3 It has been suggested that; 4 regulator's approval

C. Suggested corrections

1: The review board rejected the application after two hearings.

2: The samples were analysed under identical conditions.

3: It has been suggested that the current threshold is too low.

D: Open answer. Check the stated contrast and accurate form.; Recast a methods-and-findings passage and justify each information choice.

Teaching focus 教学重点

Use active voice when the actor and responsibility are important to the message.

行动者和责任是信息重点时，用主动语态。

Unit 9 Multi-source reporting and voice

Quick check: B

A: 1 C; 2 A; 3 B; 4 B

B: 1 It is reported that; 2 is believed to reduce; 3 acknowledges that; 4 denied hiding

C. Suggested corrections

1: It is reported that the river level is falling.

2: The new treatment is believed to reduce recovery time.

3: The author acknowledges that the sample was limited.

D: Open answer. Check the stated contrast and accurate form.; Write a source-synthesis paragraph with explicit stance boundaries.

Teaching focus 教学重点

Use an impersonal reporting passive when the source is general, shared or not the main focus.

来源笼统、共有或不是重点时，可用非人称报告被动。

Unit 10 Mandative and evaluative complements

Quick check: C

A: 1 A; 2 B; 3 B; 4 C

B: 1 that the trial continue; 2 should keep; 3 that the two estimates differ; 4 to interpret

C. Suggested corrections

1: The panel recommended that the trial continue for another month.

2: The regulations require that each site should keep a complete record.

3: It is surprising that the two estimates differ so widely.

D: Open answer. Check the stated contrast and accurate form.; Draft formal recommendations and evaluative responses in controlled registers.

Teaching focus 教学重点

After formal verbs such as recommend or require, use that + subject + base verb in the mandative subjunctive.

recommend、require 等正式动词后，可用 that + 主语 + 动词原形的命令性虚拟式。

Unit 11 Compressed non-finite clauses

Quick check: A

A: 1 B; 2 B; 3 C; 4 A

B: 1 Having reviewed; 2 Having completed; 3 Designed; 4 Although limited

C. Suggested corrections

1: Having reviewed the evidence, the panel revised its decision.

2: Having completed the audit, the team issued its findings.

3: Designed for small teams, the tool is easy to configure.

D: Open answer. Check the stated contrast and accurate form.; Condense and then unpack an analytical paragraph to test clarity.

Teaching focus 教学重点

The understood subject of a participle clause must match the subject of the main clause.

分词从句的隐含主语必须与主句主语一致。

Unit 12 Supplementary and appositive clauses

Quick check: B

A: 1 B; 2 C; 3 A; 4 B

B: 1 which was released on Monday; 2 which strengthened the analysis; 3 that the method eliminates bias; 4 which had produced inconsistent readings

C. Suggested corrections

1: The final report, which was released on Monday, includes the raw data.

2: The response rate exceeded eighty percent, which strengthened the analysis.

3: The claim that the method eliminates bias is not supported.

D: Open answer. Check the stated contrast and accurate form.; Write and edit a compact concept explanation.

Teaching focus 教学重点

Use commas around a supplementary relative that comments on an already identified referent.

补充性定语从句评论已明确的指称对象，前后要用逗号。

Unit 13 Nominalisation and unpacking

Quick check: C

A: 1 C; 2 A; 3 B; 4 B

B: 1 expansion; 2 accuracy; 3 committee's rejection; 4 Because the market changed rapidly

C. Suggested corrections

1: The rapid expansion of the service created new risks.

2: The accuracy of the measurements improved after calibration.

3: The committee's rejection of the proposal surprised the authors.

D: Open answer. Check the stated contrast and accurate form.; Create dense and reader-accessible versions of the same passage.

Teaching focus 教学重点

Recast a process as a noun when the process becomes the topic of discussion.

过程成为讨论主题时，可把动词过程改写为名词。

Unit 14 Reference and quantifier scope

Quick check: A

A: 1 A; 2 B; 3 B; 4 C

B: 1 Reliable evidence; 2 The evidence; 3 Each participant; 4 A majority of the respondents

C. Suggested corrections

1: Reliable evidence supports careful decision-making.

2: The evidence collected in this trial is confidential.

3: Each participant received a unique code.

D: Open answer. Check the stated contrast and accurate form.; Edit an abstract explanation for precise reference.

Teaching focus 教学重点

Use plural count nouns or uncountable nouns without an article for a general class or idea.

泛指一类事物或概念时，复数可数名词或不可数名词通常不用冠词。

Unit 15 Rhetorical information structure

Quick check: B

A: 1 B; 2 B; 3 C; 4 A

B: 1 the second trial; 2 What the team needs; 3 After the second review; 4 a pattern that had not appeared in the pilot data

C. Suggested corrections

1: It was the second trial that revealed the fault.

2: What the team needs is a clearer sampling plan.

3: After the second review, the committee approved the protocol.

D: Open answer. Check the stated contrast and accurate form.; Recast a paragraph for three different emphasis patterns.

Teaching focus 教学重点

Use an it-cleft to place contrastive focus on one constituent without changing the basic proposition.

用 it 分裂句把对比焦点放在一个成分上，同时保持基本命题不变。

Unit 16 Emphasis, limitation and scalar focus

Quick check: C

A: 1 B; 2 C; 3 A; 4 B

B: 1 does reduce; 2 did the policy reduce; 3 considerably more accurate; 4 only a small proportion

C. Suggested corrections

1: The revised procedure does reduce processing time.

2: Not only did the policy reduce costs, but it also improved access.

3: The second method was considerably more accurate.

D: Open answer. Check the stated contrast and accurate form.; Revise a speech/argument paragraph for controlled emphasis.

Teaching focus 教学重点

Use emphatic do to correct an assumption or strongly confirm a finite verb, not as routine decoration.

用强调助动词 do 纠正假设或强力确认限定动词，不要把它当作常规装饰。

Unit 17 Logical relations and grammatical level

Quick check: A

A: 1 C; 2 A; 3 B; 4 B

B: 1 because the venue was unavailable; 2 so clear that; 3 Despite facing; 4 so that we could verify

C. Suggested corrections

1: The event was postponed because the venue was unavailable.

2: The instructions were so clear that everyone finished on time.

3: Despite facing several delays, the team completed the project.

D: Open answer. Check the stated contrast and accurate form.; Transform a reasoning chain across three grammatical versions.

Teaching focus 教学重点

Use because + clause but because of/due to + noun phrase.

because 后接从句; because of/due to 后接名词短语。

Unit 18 Cohesion across paragraphs

Quick check: B

A: 1 A; 2 B; 3 B; 4 C

B: 1 this; 2 do so; 3 the second, less so; 4 planning lessons, supporting teachers and reviewing data

C. Suggested corrections

1: The proposal was revised, and this made it clearer.

2: Some groups repeated the test, but ours did not do so.

3: The first method was reliable; the second, less so.

D: Open answer. Check the stated contrast and accurate form.; Edit a sustained text and map its cohesion chains.

Teaching focus 教学重点

Keep pronouns and demonstratives linked to one clear noun or idea.

代词和指示词必须清楚地指向一个名词或概念。

Unit 19 Parallel grammar and balance

Quick check: C

A: 1 B; 2 B; 3 C; 4 A

B: 1 accuracy, speed and user confidence; 2 both the clarity of the guide and the accuracy of the examples; 3 predicts short-term demand, whereas the second estimates long-term growth; 4 The more precisely we define the category, the more consistently coders apply it

C. Suggested corrections

1: The study measured accuracy, speed and user confidence.

2: The revision improved both the clarity of the guide and the accuracy of the examples.

3: The first model predicts short-term demand, whereas the second estimates long-term growth.

D: Open answer. Check the stated contrast and accurate form.; Repair and then use parallel structures in a formal recommendation.

Teaching focus 教学重点

Use the same grammatical category for items that perform the same function in a list.

列举中功能相同的项目应使用相同语法类别。

Unit 20 Grammar across registers

Quick check: A

A: 1 B; 2 C; 3 A; 4 B

B: 1 can't finalise; 2 cannot finalise the report yet because; 3 is pending receipt of; 4 Within this sample

C. Suggested corrections

1: We can't finalise it yet because two figures are missing.

2: We cannot finalise the report yet because two figures are missing.

3: Completion of the report is pending receipt of two figures.

D: Open answer. Check the stated contrast and accurate form.; Create spoken, neutral-email and formal-report versions of one message.

Teaching focus 教学重点

Spoken grammar may use contractions and shorter coordination when relationship and context remain clear.

口语语法可用缩写和较短的并列结构，但关系和语境仍须清楚。

Unit 21 Editing for precision and clarity

Quick check: B

A: 1 C; 2 A; 3 B; 4 B

B: 1 has fallen; 2 the team obtained; 3 this change; 4 ;

C. Suggested corrections

1: The number of incomplete responses has fallen.

2: Using the revised protocol, the team obtained consistent readings.

3: The revised sampling rule reduced the delay, and this change improved participation.

D: Open answer. Check the stated contrast and accurate form.; Edit a flawed multi-paragraph text and justify minimal repairs.

Teaching focus 教学重点

Identify the grammatical head of the subject before changing the finite verb.

修改限定动词前，先确定主语的语法中心词。

Review 1 Answers

A: 1 B; 2 C; 3 A; 4 B; 5 C; 6 A; 7 B; 8 C; 9 A; 10 B; 11 C; 12 A

B: 1 to complete; 2 were; 3 According to the survey; 4 had followed; 5 to complete; 6 were; 7 According to the survey; 8 had followed

C: 1 The quality of the responses is encouraging.; 2 The difference might reflect a temporary change.; 3 We should have checked the figures before publication.; 4 The method was simple, but it produced reliable results.

D: The team hopes to complete the survey today.; The difference might reflect a temporary change.; If I had accepted the offer, I would live abroad now.

E: Open answer.

Review 2 Answers

A: 1 C; 2 A; 3 B; 4 C; 5 A; 6 B; 7 C; 8 A; 9 B; 10 C; 11 A; 12 B

B: 1 It has been suggested that; 2 should keep; 3 which was released on Monday; 4 Because the market changed rapidly; 5 It has been suggested that; 6 should keep; 7 which was released on Monday; 8 Because the market changed rapidly

C: 1 It is reported that the river level is falling.; 2 Having completed the audit, the team issued its findings.; 3 The committee's rejection of the proposal surprised the authors.; 4 The regulator's approval of the new standard ended the uncertainty.

D: It has been suggested that the current threshold is too low.; Having completed the audit, the team issued its findings.; Reliable evidence supports careful decision-making.

E: Open answer.

Review 3 Answers

A: 1 A; 2 B; 3 C; 4 A; 5 B; 6 C; 7 A; 8 B; 9 C; 10 A; 11 B; 12 C

B: 1 a pattern that had not appeared in the pilot data; 2 Despite facing; 3 both the clarity of the guide and the accuracy of the examples; 4 has fallen; 5 a pattern that had not appeared in the pilot data; 6 Despite facing; 7 both the clarity of the guide and the accuracy of the examples; 8 has fallen

C: 1 Not only did the policy reduce costs, but it also improved access.; 2 The first method was reliable; the second, less so.; 3 Within this sample, the available evidence suggests a modest improvement.; 4 The revised procedure does reduce processing time.

D: The analysis revealed a pattern that had not appeared in the pilot data.; The first method was reliable; the second, less so.; Using the revised protocol, the team obtained consistent readings.

E: Open answer.

Final Review Answers

A: B; C; A; B; C; A; B; C; A; B; C; A; B; C; A

B: completed; boils; Were the trend to continue; Were the sample larger; It is reported that; to interpret; that the method eliminates bias; The evidence; does reduce; so that we could verify; predicts short-term demand, whereas the second estimates long-term growth; the team obtained

C: The team has been testing the device all morning.; According to the survey, most participants preferred the revised format.; Had the warning arrived earlier, the team would have acted.; The new treatment is believed to reduce recovery time.; Designed for small teams, the tool is easy to configure.; Because the market changed rapidly, the forecast became unreliable.

D: We completed the first trial in March.; According to the survey, most participants preferred the revised format.; Should any problem arise, contact the support team immediately.

E: Open answer.
