English Grammar Practice
Advanced Grammar for Clear, Flexible English

MEANING	FORM	USE
先看意思 Understand what the speaker or writer means.	再看结构 Build the grammar accurately.	最后会使用 Choose it in real English.

How this book works 本书使用方法

Work through 21 units in order, or use one unit for focused practice. Read the English first. Use Chinese only when precision support is useful. Complete the mixed reviews without looking back.

按顺序学习，也可选择一个单元进行针对性练习。先读英文；需要准确理解时再使用中文。完成混合复习时不要翻看前文。

Name 姓名 _____

Class 班级 _____

Teacher 教师 William Morris

Contents 目录

Work through the book in order, or use one unit for focused practice.

可以按顺序学习，也可以针对薄弱语法选择单元进行补练。

Unit	Grammar focus	中文主题
1	Grammar diagnostics and appropriacy	语法诊断与语境得体性
2	Aspect, distance and analytical focus	体貌、距离与分析焦点
3	Writer time, source time and event time	作者时间、来源时间与事件时间
4	Evidential stance and scope	证据立场与范围
5	Modal remoteness and interpersonal force	情态疏远与人际力度
6	Counterfactual evidence and causation	反事实证据与因果
7	Formal conditional variants	正式条件句变体
8	Agency and representation choices	施事与表达方式选择
9	Multi-source reporting and voice	多来源报告与声音
10	Mandative and evaluative complements	命令性与评价性补语
11	Compressed non-finite clauses	压缩型非限定从句
12	Supplementary and appositive clauses	补充性与同位语从句
13	Nominalisation and unpacking	名词化与拆解
14	Reference and quantifier scope	指称与量词范围
15	Rhetorical information structure	修辞性信息结构
16	Emphasis, limitation and scalar focus	强调、限制与程度焦点
17	Logical relations and grammatical level	逻辑关系与语法层级
18	Cohesion across paragraphs	跨段落衔接
19	Parallel grammar and balance	平行语法与结构平衡
20	Grammar across registers	跨语域语法选择
21	Editing for precision and clarity	精确与清晰的编辑

Unit 1 Grammar diagnostics and appropriacy

语法诊断与语境得体性

Diagnose persistent errors and distinguish grammatical correctness from contextual appropriacy.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Finite verb 限定动词	A finite verb carries tense and can anchor a complete clause. 限定动词带有时态，能够构成完整分句的核心。	The evidence supports the main conclusion.
Non-finite verb 非限定动词	An infinitive or participle cannot normally form a complete clause by itself. 不定式或分词通常不能单独构成完整分句。	The team hopes to complete the survey today.
Clause boundary 分句边界	Join independent clauses with suitable punctuation and a connector, or separate them. 独立分句之间要用合适的标点和连接词连接，或分成两句。	The method was simple, but it produced reliable results.
Subject-verb agreement 主谓一致	The finite verb must agree with the grammatical subject, not the nearest noun. 限定动词要与语法主语一致，而不是与最近的名词一致。	The quality of the responses is encouraging.

Remember 记住

A finite verb carries tense and can anchor a complete clause.

限定动词带有时态，能够构成完整分句的核心。

Quick check 快速检查

1. Which sentence best shows Finite verb?

(A) The team hopes to complete the survey today. (B) The method was simple, but it produced reliable results. (C) The evidence supports the main conclusion.

Unit 1 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Finite verb?

(A) The team hopes to complete the survey today. (B) The method was simple, but it produced reliable results. (C) The evidence supports the main conclusion.

2. Which sentence best shows Non-finite verb?

(A) The team hopes to complete the survey today. (B) The evidence supports the main conclusion. (C) The method was simple, but it produced reliable results.

3. Which sentence best shows Clause boundary?

(A) The evidence supports the main conclusion. (B) The method was simple, but it produced reliable results. (C) The team hopes to complete the survey today.

4. Which sentence best shows Subject-verb agreement?

(A) The evidence supports the main conclusion. (B) The quality of the responses is encouraging. (C) The team hopes to complete the survey today.

B. Complete the sentence 完成句子

1. The evidence _____ the main conclusion.
2. The team hopes _____ the survey today.
3. The method was simple, _____ it produced reliable results.
4. The quality of the responses _____ encouraging.

Unit 1 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Finite verb*: *The evidence supporting the main conclusion.*

Rewrite 改写:

2. Rewrite to show *Non-finite verb*: *The team hopes completed the survey today.*

Rewrite 改写:

3. Rewrite to show *Clause boundary*: *The method was simple, because it produced reliable results.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Finite verb* and one showing *Non-finite verb*.

2. Edit a multi-register diagnostic text and classify each repair.

Useful stage-bank language: intellectual autonomy, self-regulation, scholarly habit

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 2 Aspect, distance and analytical focus

体貌、距离与分析焦点

Use tense/aspect to control narrative distance and analytical focus.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Past simple 一般过去时	Choose the past simple when the time is finished and separate from now. 当时间已经结束且与现在分开时，用一般过去时。	We completed the first trial in March.
Present perfect simple 现在完成时	Use the present perfect for a past event with a present result or unfinished time frame. 现在完成时用于具有现在结果的过去事件，或尚未结束的时间范围。	We have completed three trials so far.
Present perfect continuous 现在完成进行时	Use the present perfect continuous to emphasise continuing activity or recent process. 现在完成进行时强调持续到现在的活动或近期过程。	The team has been testing the device all morning.
State with since or for 状态与 since/for	For continuing states, the present perfect simple is often more natural than the continuous. 持续状态通常更适合使用现在完成时，而不是现在完成进行时。	She has known the result for two days.

Remember 记住

Choose the past simple when the time is finished and separate from now.

当时间已经结束且与现在分开时，用一般过去时。

Quick check 快速检查

1. Which sentence best shows Past simple?

(A) We completed the first trial in March. (B) We have completed three trials so far. (C) The team has been testing the device all morning.

Unit 2 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Past simple?

(A) We completed the first trial in March. (B) We have completed three trials so far. (C) The team has been testing the device all morning.

2. Which sentence best shows Present perfect simple?

(A) We completed the first trial in March. (B) We have completed three trials so far. (C) The team has been testing the device all morning.

3. Which sentence best shows Present perfect continuous?

(A) We completed the first trial in March. (B) The team has been testing the device all morning. (C) We have completed three trials so far.

4. Which sentence best shows State with since or for?

(A) We completed the first trial in March. (B) We have completed three trials so far. (C) She has known the result for two days.

B. Complete the sentence 完成句子

1. We _____ the first trial in March.

2. We _____ three trials so far.

3. The team _____ the device all morning.

4. She _____ the result for two days.

Unit 2 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Past simple: *We have completed the first trial in March.*

Rewrite 改写:

2. Rewrite to show Present perfect simple: *We completed three trials so far.*

Rewrite 改写:

3. Rewrite to show Present perfect continuous: *The team tested the device all morning.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Past simple and one showing Present perfect simple.

2. Write two versions of an event with deliberately different distance and focus.

Useful stage-bank language: reconcile competing accounts, integrate disparate sources, synthesis matrix

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 3 Writer time, source time and event time

作者时间、来源时间与事件时间

Coordinate writer time, source time and event time across synthesis.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Reported statement 转述陈述句	After a past reporting verb, backshift the tense when the viewpoint moves into the past. 过去时转述动词后，如果视角移到过去，通常要进行时态后移。	Mia said that the results were encouraging.
Reported question 转述疑问句	Use statement word order in a reported question and omit do, does or did. 转述疑问句使用陈述语序，不使用 do、does 或 did。	The teacher asked why the experiment had failed.
Reference change 指代变化	Adjust pronouns and time or place expressions when the reporting viewpoint changes. 转述视角变化时，要调整代词以及时间、地点表达。	Leo said that he would finish the task the following day.
No necessary backshift 不必时态后移	Keep a present tense when the reported fact is still true and the present viewpoint matters. 当被转述事实仍然成立且当前视角重要时，可保留现在时。	The guide explained that water boils at 100°C.

Remember 记住

After a past reporting verb, backshift the tense when the viewpoint moves into the past.

过去时转述动词后，如果视角移到过去，通常要进行时态后移。

Quick check 快速检查

1. Which sentence best shows Reported statement?

(A) The teacher asked why the experiment had failed. (B) Mia said that the results were encouraging. (C) Leo said that he would finish the task the following day.

Unit 3 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Reported statement?

(A) The teacher asked why the experiment had failed. (B) Mia said that the results were encouraging. (C) Leo said that he would finish the task the following day.

2. Which sentence best shows Reported question?

(A) Mia said that the results were encouraging. (B) The teacher asked why the experiment had failed. (C) Leo said that he would finish the task the following day.

3. Which sentence best shows Reference change?

(A) Mia said that the results were encouraging. (B) The teacher asked why the experiment had failed. (C) Leo said that he would finish the task the following day.

4. Which sentence best shows No necessary backshift?

(A) The guide explained that water boils at 100°C. (B) Mia said that the results were encouraging. (C) The teacher asked why the experiment had failed.

B. Complete the sentence 完成句子

- Mia said that the results _____ encouraging.
- The teacher asked why _____.
- Leo said that he would finish the task _____.
- The guide explained that water _____ at 100°C.

Unit 3 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Reported statement*: Mia said that the results are encouraging.

Rewrite 改写:

2. Rewrite to show *Reported question*: The teacher asked why had the experiment failed.

Rewrite 改写:

3. Rewrite to show *Reference change*: Leo said that he would finish the task tomorrow.

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Reported statement* and one showing *Reported question*.

2. Integrate time-different sources into a coherent account.

Useful stage-bank language: epistemic caution, calibrated confidence, degrees of certainty

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 4 Evidential stance and scope

证据立场与范围

Calibrate certainty, evidence and scope with economy and precision.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Possibility 可能性	Use may or might when evidence supports possibility but not certainty. 证据只支持可能性而非确定性时，用 may 或 might。	The difference might reflect a temporary change.
Strong likelihood 高度可能	Use be bound to or be highly likely to for a strong prediction. be bound to 或 be highly likely to 表示强烈预测。	Clearer instructions are likely to improve completion rates.
Hedged inference 弱化推断	Use seem, appear or tend to when evidence supports a cautious inference rather than a fact. 证据只支持谨慎推断而非事实时，可用 seem、appear 或 tend to。	The variation appears to reflect seasonal demand.
Evidence frame 证据框架	Name the evidence source before stating a calibrated conclusion. 先说明证据来源，再给出强度合适的结论。	According to the survey, most participants preferred the revised format.

Remember 记住

Use may or might when evidence supports possibility but not certainty.

证据只支持可能性而非确定性时，用 may 或 might。

Quick check 快速检查

1. Which sentence best shows Possibility?

(A) Clearer instructions are likely to improve completion rates. (B) The variation appears to reflect seasonal demand. (C) The difference might reflect a temporary change.

Unit 4 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Possibility?

(A) Clearer instructions are likely to improve completion rates. (B) The difference might reflect a temporary change. (C) The variation appears to reflect seasonal demand.

2. Which sentence best shows Strong likelihood?

(A) The difference might reflect a temporary change. (B) The variation appears to reflect seasonal demand. (C) Clearer instructions are likely to improve completion rates.

3. Which sentence best shows Hedged inference?

(A) The variation appears to reflect seasonal demand. (B) The difference might reflect a temporary change. (C) Clearer instructions are likely to improve completion rates.

4. Which sentence best shows Evidence frame?

(A) The difference might reflect a temporary change. (B) According to the survey, most participants preferred the revised format. (C) Clearer instructions are likely to improve completion rates.

B. Complete the sentence 完成句子

1. The difference _____ a temporary change.
2. Clearer instructions _____ completion rates.
3. The variation _____ seasonal demand.
4. _____, most participants preferred the revised format.

Unit 4 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Possibility: *The difference must reflect a temporary change.*

Rewrite 改写:

2. Rewrite to show Strong likelihood: *Clearer instructions might improving completion rates.*

Rewrite 改写:

3. Rewrite to show Hedged inference: *The variation proves seasonal demand.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Possibility and one showing Strong likelihood.

2. Produce calibrated versions of the same claim for different evidence strengths.

Useful stage-bank language: causal complexity, emergent property, path dependence

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 5 Modal remoteness and interpersonal force

情态疏远与人际力度

Adjust interpersonal force and hypothetical distance without obscuring intent.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Tentative proposal 试探性建议	Use could, might or would to present a proposal as open to discussion rather than imposed. 用 could、might 或 would 把建议表达为可讨论方案，而非强加要求。	We could extend the pilot before adopting the policy nationally.
Conditional politeness 条件式礼貌	Use a conditional frame to reduce the force of a request while keeping the action clear. 用条件式框架降低请求力度，同时保持行动内容清楚。	I would appreciate it if you could send the revised table.
Distant hypothesis 疏远假设	Use a remote form when a hypothesis is deliberately presented as uncertain or unlikely. 刻意把假设表达为不确定或不太可能时，用疏远形式。	Were the trend to continue, additional safeguards might be needed.
Qualified recommendation 有限度建议	Limit a recommendation with scope language when it applies only under stated conditions. 建议只在特定条件下适用时，要用范围语言加以限制。	For small datasets, the simpler model may be preferable.

Remember 记住

Use could, might or would to present a proposal as open to discussion rather than imposed.

用 could、might 或 would 把建议表达为可讨论方案，而非强加要求。

Quick check 快速检查

1. Which sentence best shows Tentative proposal?

(A) We could extend the pilot before adopting the policy nationally. (B) I would appreciate it if you could send the revised table. (C) Were the trend to continue, additional safeguards might be needed.

Unit 5 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Tentative proposal?

(A) I would appreciate it if you could send the revised table. (B) Were the trend to continue, additional safeguards might be needed. (C) We could extend the pilot before adopting the policy nationally.

2. Which sentence best shows Conditional politeness?

(A) I would appreciate it if you could send the revised table. (B) We could extend the pilot before adopting the policy nationally. (C) Were the trend to continue, additional safeguards might be needed.

3. Which sentence best shows Distant hypothesis?

(A) We could extend the pilot before adopting the policy nationally. (B) Were the trend to continue, additional safeguards might be needed. (C) I would appreciate it if you could send the revised table.

4. Which sentence best shows Qualified recommendation?

(A) We could extend the pilot before adopting the policy nationally. (B) For small datasets, the simpler model may be preferable. (C) I would appreciate it if you could send the revised table.

B. Complete the sentence 完成句子

1. We _____ the pilot before adopting the policy nationally.
2. I _____ you could send the revised table.
3. _____, additional safeguards might be needed.
4. _____, the simpler model may be preferable.

Unit 5 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Tentative proposal: *We must extend the pilot before adopting the policy nationally.*

Rewrite 改写:

2. Rewrite to show Conditional politeness: *I demand that you could send the revised table.*

Rewrite 改写:

3. Rewrite to show Distant hypothesis: *The trend continues, additional safeguards might be needed.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Tentative proposal and one showing Conditional politeness.

2. Rewrite proposals for consultation, negotiation and firm decision contexts.

Useful stage-bank language: evidentiary threshold, inferential leap, converging lines of evidence

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 6 Counterfactual evidence and causation

反事实证据与因果

Evaluate alternative histories without presenting speculation as evidence.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Must have 对过去的肯定推断	Use must have + past participle for a strong logical conclusion about the past. must have + 过去分词表示对过去的强烈逻辑推断。	The road is wet; it must have rained overnight.
Should have 过去未实现的期望或批评	Use should have + past participle for an unmet expectation, regret or criticism. should have + 过去分词表示未实现的期望、遗憾或批评。	We should have checked the figures before publication.
Third conditional 第三条件句	Use the third conditional for an unreal past condition and imagined past result. 第三条件句用于不真实的过去条件和假想的过去结果。	If we had followed the map, we would not have got lost.
Past condition, present result 过去条件与现在结果	Use a mixed conditional when an unreal past event explains a present state. 当不真实的过去事件解释现在状态时，用混合条件句。	If I had accepted the offer, I would live abroad now.

Remember 记住

Use must have + past participle for a strong logical conclusion about the past.

must have + 过去分词表示对过去的强烈逻辑推断。

Quick check 快速检查

1. Which sentence best shows Must have?

(A) We should have checked the figures before publication. (B) The road is wet; it must have rained overnight. (C) If we had followed the map, we would not have got lost.

Unit 6 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows **Must have**?

(A) The road is wet; it must have rained overnight. (B) We should have checked the figures before publication. (C) If we had followed the map, we would not have got lost.

2. Which sentence best shows **Should have**?

(A) The road is wet; it must have rained overnight. (B) We should have checked the figures before publication. (C) If we had followed the map, we would not have got lost.

3. Which sentence best shows **Third conditional**?

(A) The road is wet; it must have rained overnight. (B) If we had followed the map, we would not have got lost. (C) We should have checked the figures before publication.

4. Which sentence best shows **Past condition, present result**?

(A) The road is wet; it must have rained overnight. (B) We should have checked the figures before publication. (C) If I had accepted the offer, I would live abroad now.

B. Complete the sentence 完成句子

1. The road is wet; it _____ overnight.
2. We _____ the figures before publication.
3. If we _____ the map, we would not have got lost.
4. If I _____ the offer, I would live abroad now.

Unit 6 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Must have*: *The road is wet; it must rain overnight.*

Rewrite 改写:

2. Rewrite to show *Should have*: *We should checked the figures before publication.*

Rewrite 改写:

3. Rewrite to show *Third conditional*: *If we followed the map, we would not have got lost.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing **Must have** and one showing **Should have**.

2. Write a bounded alternative explanation with evidence limits.

Useful stage-bank language: steelman an argument, address a counterexample, qualify a premise

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 7 Formal conditional variants

正式条件句变体

Use formal conditional variants accurately and only where register supports them.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Had inversion had 条件倒装	Use had + subject + past participle as a formal alternative to an if-clause about the unreal past. 用 had + 主语 + 过去分词，正式替代关于非现实过去的 if 从句。	Had the warning arrived earlier, the team would have acted.
Were inversion were 条件倒装	Use were + subject + complement or to-infinitive as a formal remote condition. 用 were + 主语 + 补语或不定式表达正式的疏远条件。	Were the sample larger, the estimate would be more stable.
Should inversion should 条件倒装	Use should + subject + base verb for a formal open condition, often in instructions or notices. 正式开放条件中可用 should + 主语 + 动词原形，常见于说明或通知。	Should any problem arise, contact the support team immediately.
Would rather 宁愿结构	Use would rather + subject + past form for a preferred present or future action by another person. 表达希望他人现在或将来采取某行动时，用 would rather + 主语 + 过去式。	We would rather the supplier delivered the parts tomorrow.

Remember 记住

Use had + subject + past participle as a formal alternative to an if-clause about the unreal past.

用 had + 主语 + 过去分词，正式替代关于非现实过去的 if 从句。

Quick check 快速检查

1. Which sentence best shows Had inversion?

(A) Were the sample larger, the estimate would be more stable. (B) Should any problem arise, contact the support team immediately. (C) Had the warning arrived earlier, the team would have acted.

Unit 7 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Had inversion?

(A) Were the sample larger, the estimate would be more stable. (B) Had the warning arrived earlier, the team would have acted. (C) Should any problem arise, contact the support team immediately.

2. Which sentence best shows Were inversion?

(A) Had the warning arrived earlier, the team would have acted. (B) Were the sample larger, the estimate would be more stable. (C) Should any problem arise, contact the support team immediately.

3. Which sentence best shows Should inversion?

(A) Had the warning arrived earlier, the team would have acted. (B) Were the sample larger, the estimate would be more stable. (C) Should any problem arise, contact the support team immediately.

4. Which sentence best shows Would rather?

(A) We would rather the supplier delivered the parts tomorrow. (B) Had the warning arrived earlier, the team would have acted. (C) Were the sample larger, the estimate would be more stable.

B. Complete the sentence 完成句子

- _____ earlier, the team would have acted.
- _____, the estimate would be more stable.
- _____, contact the support team immediately.
- We would rather the supplier _____ the parts tomorrow.

Unit 7 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Had inversion*: *Had the warning arrive earlier, the team would have acted.*

Rewrite 改写:

2. Rewrite to show *Were inversion*: *Was the sample larger, the estimate would be more stable.*

Rewrite 改写:

3. Rewrite to show *Should inversion*: *Should any problem arises, contact the support team immediately.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Had inversion* and one showing *Were inversion*.

2. Produce and edit formal contingency statements.

Useful stage-bank language: deploy a policy instrument, guard against regulatory capture, exercise an institutional mandate

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Review 1 Units 1-7

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) Did the team hopes to complete the survey today. (B) The team hopes to complete the survey today. (C) Because the team hopes to complete the survey today.

2. Choose the grammatically accurate sentence.

(A) Did the team has been testing the device all morning. (B) Because the team has been testing the device all morning. (C) The team has been testing the device all morning.

3. Choose the grammatically accurate sentence.

(A) The guide explained that water boils at 100°C. (B) Did the guide explained that water boils at 100°C. (C) Because the guide explained that water boils at 100°C.

4. Choose the grammatically accurate sentence.

(A) Did we could extend the pilot before adopting the policy nationally. (B) We could extend the pilot before adopting the policy nationally. (C) Because we could extend the pilot before adopting the policy nationally.

5. Choose the grammatically accurate sentence.

(A) Did we should have checked the figures before publication. (B) Because we should have checked the figures before publication. (C) We should have checked the figures before publication.

6. Choose the grammatically accurate sentence.

(A) Should any problem arise, contact the support team immediately. (B) Did should any problem arise, contact the support team immediately. (C) Because should any problem arise, contact the support team immediately.

7. Choose the grammatically accurate sentence.

(A) Did the quality of the responses is encouraging. (B) The quality of the responses is encouraging. (C) Because the quality of the responses is encouraging.

8. Choose the grammatically accurate sentence.

(A) Did mia said that the results were encouraging. (B) Because mia said that the results were encouraging. (C) Mia said that the results were encouraging.

9. Choose the grammatically accurate sentence.

(A) Clearer instructions are likely to improve completion rates. (B) Did clearer instructions are likely to improve completion rates. (C) Because clearer instructions are likely to improve completion rates.

10. Choose the grammatically accurate sentence.

(A) Did were the trend to continue, additional safeguards might be needed. (B) Were the trend to continue, additional safeguards might be needed. (C) Because were the trend to continue, additional safeguards might be needed.

11. Choose the grammatically accurate sentence.

(A) Did if I had accepted the offer, I would live abroad now. (B) Because if I had accepted the offer, I would live abroad now. (C) If I had accepted the offer, I would live abroad now.

12. Choose the grammatically accurate sentence.

(A) The evidence supports the main conclusion. (B) Did the evidence supports the main conclusion. (C) Because the evidence supports the main conclusion.

Review 1 Build + repair

B. Build it 构建语法

1. The team hopes _____ the survey today.
2. Mia said that the results _____ encouraging.
3. _____, most participants preferred the revised format.
4. If we _____ the map, we would not have got lost.
5. The team hopes _____ the survey today.
6. Mia said that the results _____ encouraging.
7. _____, most participants preferred the revised format.
8. If we _____ the map, we would not have got lost.

C. Repair it 改错

1. *Did the quality of the responses is encouraging.*

2. *Did the difference might reflect a temporary change.*

3. *Did we should have checked the figures before publication.*

4. *Did the method was simple, but it produced reliable results.*

Review 1 Edit + write

D. Editing challenge 编辑挑战

Did the team hopes to complete the survey today. Because the difference might reflect a temporary change. Did if I had accepted the offer, I would live abroad now.

E. Independent writing 独立写作

Write 100–150 words. Use at least four different grammar choices from this review and underline them.

Review reflection 复习反思

Name one contrast you can now explain and one form that needs another loopback.

写出一个你现在能解释的语法对比，以及一个需要再次复习的结构。

Unit 8 Agency and representation choices

施事与表达方式选择

Choose how to represent agency, evidence and process transparently.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Active responsibility 主动责任	Use active voice when the actor and responsibility are important to the message. 行动者和责任是信息重点时，用主动语态。	The review board rejected the application after two hearings.
Process-centred passive 过程中心被动	Use a passive when procedure or result is the topic and the actor is secondary or known. 程序或结果是主题、施事者次要或已知时，用被动语态。	The samples were analysed under identical conditions.
Impersonal report 非人称报告	Use an impersonal reporting frame to mark general attribution and evidential distance. 用非人称报告框架表示笼统归因和证据距离。	It has been suggested that the current threshold is too low.
Nominalised process 名词化过程	Use a process noun when the event becomes a stable discourse topic, but keep agency visible when needed. 事件成为稳定语篇主题时可用过程名词，但需要时应保留施事者。	The regulator's approval of the new standard ended the uncertainty.

Remember 记住

Use active voice when the actor and responsibility are important to the message.

行动者和责任是信息重点时，用主动语态。

Quick check 快速检查

1. Which sentence best shows Active responsibility?

(A) The review board rejected the application after two hearings. (B) The samples were analysed under identical conditions. (C) It has been suggested that the current threshold is too low.

Unit 8 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Active responsibility?

(A) The samples were analysed under identical conditions. (B) The review board rejected the application after two hearings. (C) It has been suggested that the current threshold is too low.

2. Which sentence best shows Process-centred passive?

(A) The review board rejected the application after two hearings. (B) It has been suggested that the current threshold is too low. (C) The samples were analysed under identical conditions.

3. Which sentence best shows Impersonal report?

(A) It has been suggested that the current threshold is too low. (B) The review board rejected the application after two hearings. (C) The samples were analysed under identical conditions.

4. Which sentence best shows Nominalised process?

(A) The review board rejected the application after two hearings. (B) The regulator's approval of the new standard ended the uncertainty. (C) The samples were analysed under identical conditions.

B. Complete the sentence 完成句子

- _____ the application after two hearings.
- The samples _____ under identical conditions.
- _____ the current threshold is too low.
- The _____ of the new standard ended the uncertainty.

Unit 8 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Active responsibility: *The application was rejected the application after two hearings.*

Rewrite 改写:

2. Rewrite to show Process-centred passive: *The samples analysed under identical conditions.*

Rewrite 改写:

3. Rewrite to show Impersonal report: *It suggests that the current threshold is too low.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Active responsibility and one showing Process-centred passive.

2. Recast a methods-and-findings passage and justify each information choice.

Useful stage-bank language: uphold a duty of care, apply distributive justice, ensure procedural fairness

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 9 Multi-source reporting and voice

多来源报告与声音

Integrate, compare and qualify sources without blending voices.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
It is said that It is said that 结构	Use an impersonal reporting passive when the source is general, shared or not the main focus. 来源笼统、共有或不是重点时，可用非人称报告被动。	It is reported that the river level is falling.
Subject is said to 主语报告被动	Move the reported subject forward with subject + passive reporting verb + to-infinitive. 用主语 + 报告动词被动式 + 不定式，把报道对象置于句首。	The new treatment is believed to reduce recovery time.
Verb + that-clause 动词 + that 从句	Use reporting verbs such as claim, explain or acknowledge before a that-clause. claim、explain、acknowledge 等转述动词可接 that 从句。	The author acknowledges that the sample was limited.
Verb + -ing 动词 + -ing	Some reporting verbs, including admit and deny, are followed by an -ing form. admit、deny 等转述动词后接 -ing 形式。	The company denied hiding the test results.

Remember 记住

Use an impersonal reporting passive when the source is general, shared or not the main focus.

来源笼统、共有或不是重点时，可用非人称报告被动。

Quick check 快速检查

1. Which sentence best shows It is said that?

(A) The new treatment is believed to reduce recovery time. (B) It is reported that the river level is falling. (C) The author acknowledges that the sample was limited.

Unit 9 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows It is said that?

- (A) The new treatment is believed to reduce recovery time. (B) The author acknowledges that the sample was limited.
(C) It is reported that the river level is falling.

2. Which sentence best shows Subject is said to?

- (A) The new treatment is believed to reduce recovery time. (B) It is reported that the river level is falling. (C) The author acknowledges that the sample was limited.

3. Which sentence best shows Verb + that-clause?

- (A) It is reported that the river level is falling. (B) The author acknowledges that the sample was limited. (C) The new treatment is believed to reduce recovery time.

4. Which sentence best shows Verb + -ing?

- (A) It is reported that the river level is falling. (B) The company denied hiding the test results. (C) The new treatment is believed to reduce recovery time.

B. Complete the sentence 完成句子

- _____ the river level is falling.
- The new treatment _____ recovery time.
- The author _____ the sample was limited.
- The company _____ the test results.

Unit 9 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *It is said that*: *It reports that the river level is falling.*

Rewrite 改写:

2. Rewrite to show *Subject is said to*: *The new treatment believes to reduce recovery time.*

Rewrite 改写:

3. Rewrite to show *Verb + that-clause*: *The author acknowledges the sample was limited.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *It is said that* and one showing *Subject is said to*.

2. Write a source-synthesis paragraph with explicit stance boundaries.

Useful stage-bank language: structural power, social stratification, cultural hegemony

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 10 Mandative and evaluative complements

命令性与评价性补语

Choose complement forms for recommendations, requirements, evaluation and stance.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Mandative subjunctive 命令性虚拟式	After formal verbs such as recommend or require, use that + subject + base verb in the mandative subjunctive. recommend、require 等正式动词后，可用 that + 主语 + 动词原形的命令性虚拟式。	The panel recommended that the trial continue for another month.
Mandative should 命令性 should	British English may use should + base verb after a recommendation or requirement. 英式英语中，建议或要求后可用 should + 动词原形。	The regulations require that each site should keep a complete record.
Evaluative that-clause 评价性 that 从句	Use it + be + adjective + that-clause to evaluate a proposition; choose the verb form appropriate to meaning. 用 it + be + 形容词 + that 从句评价命题，并按意义选择从句动词形式。	It is surprising that the two estimates differ so widely.
Evaluative infinitive 评价性不定式	Use an adjective + to-infinitive when the evaluated action and participant relation are clear. 被评价的动作和参与者关系明确时，可用形容词 + 不定式。	The instructions are difficult to interpret without an example.

Remember 记住

After formal verbs such as recommend or require, use that + subject + base verb in the mandative subjunctive.

recommend、require 等正式动词后，可用 that + 主语 + 动词原形的命令性虚拟式。

Quick check 快速检查

1. Which sentence best shows Mandative subjunctive?

(A) The regulations require that each site should keep a complete record. (B) It is surprising that the two estimates differ so widely. (C) The panel recommended that the trial continue for another month.

Unit 10 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Mandative subjunctive?

(A) The panel recommended that the trial continue for another month. (B) The regulations require that each site should keep a complete record. (C) It is surprising that the two estimates differ so widely.

2. Which sentence best shows Mandative should?

(A) The panel recommended that the trial continue for another month. (B) The regulations require that each site should keep a complete record. (C) It is surprising that the two estimates differ so widely.

3. Which sentence best shows Evaluative that-clause?

(A) The panel recommended that the trial continue for another month. (B) It is surprising that the two estimates differ so widely. (C) The regulations require that each site should keep a complete record.

4. Which sentence best shows Evaluative infinitive?

(A) The panel recommended that the trial continue for another month. (B) The regulations require that each site should keep a complete record. (C) The instructions are difficult to interpret without an example.

B. Complete the sentence 完成句子

1. The panel recommended _____ for another month.
2. The regulations require that each site _____ a complete record.
3. It is surprising _____ so widely.
4. The instructions are difficult _____ without an example.

Unit 10 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Mandative subjunctive: *The panel recommended that the trial continues for another month.*

Rewrite 改写:

2. Rewrite to show Mandative should: *The regulations require that each site should keeps a complete record.*

Rewrite 改写:

3. Rewrite to show Evaluative that-clause: *It is surprising for the two estimates differing so widely.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Mandative subjunctive and one showing Mandative should.

2. Draft formal recommendations and evaluative responses in controlled registers.

Useful stage-bank language: labour market, wage stagnation, wealth concentration

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 11 Compressed non-finite clauses

压缩型非限定从句

Compress information while keeping subject, time, voice and logical relation recoverable.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Participle-clause subject 分词从句的主语控制	The understood subject of a participle clause must match the subject of the main clause. 分词从句的隐含主语必须与主句主语一致。	Having reviewed the evidence, the panel revised its decision.
Perfect participle clause 完成分词从句	Use having + past participle when the participle event clearly precedes the main event. 分词事件明确早于主句事件时，用 having + 过去分词。	Having completed the audit, the team issued its findings.
Passive participle clause 被动分词从句	Use a past-participle clause when its understood subject receives the action. 隐含主语承受动作时，用过去分词从句。	Designed for small teams, the tool is easy to configure.
Concessive participle clause 让步分词从句	A participle clause introduced by although or while can express a recoverable concession. 由 although 或 while 引导的分词从句可表达清晰可恢复的让步关系。	Although limited by time, the researchers completed the comparison.

Remember 记住

The understood subject of a participle clause must match the subject of the main clause.

分词从句的隐含主语必须与主句主语一致。

Quick check 快速检查

1. Which sentence best shows Participle-clause subject?

(A) Having reviewed the evidence, the panel revised its decision. (B) Having completed the audit, the team issued its findings. (C) Designed for small teams, the tool is easy to configure.

Unit 11 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Participle-clause subject?

(A) Having completed the audit, the team issued its findings. (B) Having reviewed the evidence, the panel revised its decision. (C) Designed for small teams, the tool is easy to configure.

2. Which sentence best shows Perfect participle clause?

(A) Having reviewed the evidence, the panel revised its decision. (B) Having completed the audit, the team issued its findings. (C) Designed for small teams, the tool is easy to configure.

3. Which sentence best shows Passive participle clause?

(A) Having reviewed the evidence, the panel revised its decision. (B) Having completed the audit, the team issued its findings. (C) Designed for small teams, the tool is easy to configure.

4. Which sentence best shows Concessive participle clause?

(A) Although limited by time, the researchers completed the comparison. (B) Having reviewed the evidence, the panel revised its decision. (C) Having completed the audit, the team issued its findings.

B. Complete the sentence 完成句子

- _____ the evidence, the panel revised its decision.
- _____ the audit, the team issued its findings.
- _____ for small teams, the tool is easy to configure.
- _____ by time, the researchers completed the comparison.

Unit 11 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Participle-clause subject*: *Having been reviewed the evidence, the panel revised its decision.*

Rewrite 改写:

2. Rewrite to show *Perfect participle clause*: *Completing the audit, the team issued its findings.*

Rewrite 改写:

3. Rewrite to show *Passive participle clause*: *Designing for small teams, the tool is easy to configure.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Participle-clause subject* and one showing *Perfect participle clause*.

2. Condense and then unpack an analytical paragraph to test clarity.

Useful stage-bank language: model bias, automated decision-making, human oversight

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 12 Supplementary and appositive clauses

补充性与同位语从句

Add commentary or specification with accurate attachment and punctuation.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Supplementary relative 补充性定语从句	Use commas around a supplementary relative that comments on an already identified referent. 补充性定语从句评论已明确的指称对象，前后要用逗号。	The final report, which was released on Monday, includes the raw data.
Sentential relative 句子关系从句	Use which after a comma to comment on the whole preceding clause when the reference is clear. 指代清楚时，可在逗号后用 which 评论前面的整个分句。	The response rate exceeded eighty percent, which strengthened the analysis.
Appositive that-clause 同位语 that 从句	Use a that-clause to specify the content of an abstract noun such as claim, evidence or possibility. 用 that 从句说明 claim、evidence、possibility 等抽象名词的具体内容。	The claim that the method eliminates bias is not supported.
Attachment control 修饰附着控制	Place a supplementary clause next to the expression it modifies to prevent ambiguity. 把补充性从句紧邻所修饰的表达，避免歧义。	The researchers revised the instrument, which had produced inconsistent readings.

Remember 记住

Use commas around a supplementary relative that comments on an already identified referent.

补充性定语从句评论已明确的指称对象，前后要用逗号。

Quick check 快速检查

1. Which sentence best shows Supplementary relative?

(A) The response rate exceeded eighty percent, which strengthened the analysis. (B) The final report, which was released on Monday, includes the raw data. (C) The claim that the method eliminates bias is not supported.

Unit 12 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows **Supplementary relative**?

(A) The response rate exceeded eighty percent, which strengthened the analysis. (B) The final report, which was released on Monday, includes the raw data. (C) The claim that the method eliminates bias is not supported.

2. Which sentence best shows **Sentential relative**?

(A) The final report, which was released on Monday, includes the raw data. (B) The claim that the method eliminates bias is not supported. (C) The response rate exceeded eighty percent, which strengthened the analysis.

3. Which sentence best shows **Appositive that-clause**?

(A) The claim that the method eliminates bias is not supported. (B) The final report, which was released on Monday, includes the raw data. (C) The response rate exceeded eighty percent, which strengthened the analysis.

4. Which sentence best shows **Attachment control**?

(A) The final report, which was released on Monday, includes the raw data. (B) The researchers revised the instrument, which had produced inconsistent readings. (C) The response rate exceeded eighty percent, which strengthened the analysis.

B. Complete the sentence 完成句子

1. The final report, _____, includes the raw data.
2. The response rate exceeded eighty percent, _____.
3. The claim _____ is not supported.
4. The researchers revised the instrument, _____.

Unit 12 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Supplementary relative*: *The final report, that was released on Monday, includes the raw data.*

Rewrite 改写:

2. Rewrite to show *Sentential relative*: *The response rate exceeded eighty percent, that strengthened the analysis.*

Rewrite 改写:

3. Rewrite to show *Appositive that-clause*: *The claim which the method eliminates bias is not supported.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Supplementary relative* and one showing *Sentential relative*.

2. Write and edit a compact concept explanation.

Useful stage-bank language: climate adaptation pathway, intergenerational equity, planetary boundary

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 13 Nominalisation and unpacking

名词化与拆解

Package abstraction and evidence without producing opaque noun-heavy prose.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Process nominalisation 过程名词化	Recast a process as a noun when the process becomes the topic of discussion. 过程成为讨论主题时，可把动词过程改写为名词。	The rapid expansion of the service created new risks.
Quality nominalisation 性质名词化	Recast an adjective as a noun to discuss the quality itself, not simply to sound formal. 需要讨论性质本身时，可把形容词改为名词，而不是只为显得正式。	The accuracy of the measurements improved after calibration.
Visible agent 保留施事者	Retain an of-phrase or by-phrase when the actor is important to interpretation. 施事者对理解重要时，应保留 of 短语或 by 短语。	The committee's rejection of the proposal surprised the authors.
Unpack a dense noun phrase 拆解密集名词短语	Turn a heavy nominal group back into a clause when it improves transparency. 密集名词短语影响透明度时，应还原为从句。	Because the market changed rapidly, the forecast became unreliable.

Remember 记住

Recast a process as a noun when the process becomes the topic of discussion.

过程成为讨论主题时，可把动词过程改写为名词。

Quick check 快速检查

1. Which sentence best shows Process nominalisation?

(A) The accuracy of the measurements improved after calibration. (B) The committee's rejection of the proposal surprised the authors. (C) The rapid expansion of the service created new risks.

Unit 13 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Process nominalisation?

(A) The accuracy of the measurements improved after calibration. (B) The committee's rejection of the proposal surprised the authors. (C) The rapid expansion of the service created new risks.

2. Which sentence best shows Quality nominalisation?

(A) The accuracy of the measurements improved after calibration. (B) The rapid expansion of the service created new risks. (C) The committee's rejection of the proposal surprised the authors.

3. Which sentence best shows Visible agent?

(A) The rapid expansion of the service created new risks. (B) The committee's rejection of the proposal surprised the authors. (C) The accuracy of the measurements improved after calibration.

4. Which sentence best shows Unpack a dense noun phrase?

(A) The rapid expansion of the service created new risks. (B) Because the market changed rapidly, the forecast became unreliable. (C) The accuracy of the measurements improved after calibration.

B. Complete the sentence 完成句子

1. The rapid _____ of the service created new risks.
2. The _____ of the measurements improved after calibration.
3. The _____ of the proposal surprised the authors.
4. _____, the forecast became unreliable.

Unit 13 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Process nominalisation: *The rapid expand of the service created new risks.*

Rewrite 改写:

2. Rewrite to show Quality nominalisation: *The accurate of the measurements improved after calibration.*

Rewrite 改写:

3. Rewrite to show Visible agent: *The proposal's rejection of the proposal surprised the authors.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Process nominalisation and one showing Quality nominalisation.

2. Create dense and reader-accessible versions of the same passage.

Useful stage-bank language: rhetorical framing, strategic ambiguity, persuasive appeal

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 14 Reference and quantifier scope

指称与量词范围

Maintain reference chains and avoid unintended universal or vague claims.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Generic reference 泛指	Use plural count nouns or uncountable nouns without an article for a general class or idea. 泛指一类事物或概念时，复数可数名词或不可数名词通常不用冠词。	Reliable evidence supports careful decision-making.
Specific reference 特指	Use the when the listener can identify the particular person, thing or set. 听者能够确定具体所指的人、事物或集合时，用 the。	The evidence collected in this trial is confidential.
Each and every each 与 every	Each focuses on members individually; every treats all members of a group as a complete set. each 强调个体成员；every 把群体所有成员看作整体。	Each participant received a unique code.
Quantified groups 量化群体	Use expressions such as the majority of, a minority of and a proportion of with accurate agreement. the majority of、a minority of、a proportion of 等表达要注意准确的一致关系。	A majority of the respondents supported the change.

Remember 记住

Use plural count nouns or uncountable nouns without an article for a general class or idea.

泛指一类事物或概念时，复数可数名词或不可数名词通常不用冠词。

Quick check 快速检查

1. Which sentence best shows Generic reference?

(A) Reliable evidence supports careful decision-making. (B) The evidence collected in this trial is confidential. (C) Each participant received a unique code.

Unit 14 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Generic reference?

(A) Reliable evidence supports careful decision-making. (B) The evidence collected in this trial is confidential. (C) Each participant received a unique code.

2. Which sentence best shows Specific reference?

(A) Reliable evidence supports careful decision-making. (B) The evidence collected in this trial is confidential. (C) Each participant received a unique code.

3. Which sentence best shows Each and every?

(A) Reliable evidence supports careful decision-making. (B) Each participant received a unique code. (C) The evidence collected in this trial is confidential.

4. Which sentence best shows Quantified groups?

(A) Reliable evidence supports careful decision-making. (B) The evidence collected in this trial is confidential. (C) A majority of the respondents supported the change.

B. Complete the sentence 完成句子

1. _____ supports careful decision-making.
2. _____ collected in this trial is confidential.
3. _____ received a unique code.
4. _____ supported the change.

Unit 14 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Generic reference*: *The reliable evidence supports careful decision-making.*

Rewrite 改写:

2. Rewrite to show *Specific reference*: *Evidence collected in this trial is confidential.*

Rewrite 改写:

3. Rewrite to show *Each and every*: *Every participants received a unique code.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing **Generic reference** and one showing **Specific reference**.

2. Edit an abstract explanation for precise reference.

Useful stage-bank language: polyphony, focalisation, intertextuality

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Review 2 Units 8-14

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) Did it has been suggested that the current threshold is too low. (B) Because it has been suggested that the current threshold is too low. (C) It has been suggested that the current threshold is too low.

2. Choose the grammatically accurate sentence.

(A) The company denied hiding the test results. (B) Did the company denied hiding the test results. (C) Because the company denied hiding the test results.

3. Choose the grammatically accurate sentence.

(A) Did having reviewed the evidence, the panel revised its decision. (B) Having reviewed the evidence, the panel revised its decision. (C) Because having reviewed the evidence, the panel revised its decision.

4. Choose the grammatically accurate sentence.

(A) Did the response rate exceeded eighty percent, which strengthened the analysis. (B) Because the response rate exceeded eighty percent, which strengthened the analysis. (C) The response rate exceeded eighty percent, which strengthened the analysis.

5. Choose the grammatically accurate sentence.

(A) The committee's rejection of the proposal surprised the authors. (B) Did the committee's rejection of the proposal surprised the authors. (C) Because the committee's rejection of the proposal surprised the authors.

6. Choose the grammatically accurate sentence.

(A) Did a majority of the respondents supported the change. (B) A majority of the respondents supported the change. (C) Because a majority of the respondents supported the change.

7. Choose the grammatically accurate sentence.

(A) Did it is reported that the river level is falling. (B) Because it is reported that the river level is falling. (C) It is reported that the river level is falling.

8. Choose the grammatically accurate sentence.

(A) The regulations require that each site should keep a complete record. (B) Did the regulations require that each site should keep a complete record. (C) Because the regulations require that each site should keep a complete record.

9. Choose the grammatically accurate sentence.

(A) Did designed for small teams, the tool is easy to configure. (B) Designed for small teams, the tool is easy to configure. (C) Because designed for small teams, the tool is easy to configure.

10. Choose the grammatically accurate sentence.

(A) Did the researchers revised the instrument, which had produced inconsistent readings. (B) Because the researchers revised the instrument, which had produced inconsistent readings. (C) The researchers revised the instrument, which had produced inconsistent readings.

11. Choose the grammatically accurate sentence.

(A) Reliable evidence supports careful decision-making. (B) Did reliable evidence supports careful decision-making. (C) Because reliable evidence supports careful decision-making.

12. Choose the grammatically accurate sentence.

(A) Did the samples were analysed under identical conditions. (B) The samples were analysed under identical conditions. (C) Because the samples were analysed under identical conditions.

Review 2 Build + repair

B. Build it 构建语法

1. _____ the current threshold is too low.
2. The regulations require that each site _____ a complete record.
3. The final report, _____, includes the raw data.
4. _____, the forecast became unreliable.
5. _____ the current threshold is too low.
6. The regulations require that each site _____ a complete record.
7. The final report, _____, includes the raw data.
8. _____, the forecast became unreliable.

C. Repair it 改错

1. *Did it is reported that the river level is falling.*

2. *Did having completed the audit, the team issued its findings.*

3. *Did the committee's rejection of the proposal surprised the authors.*

4. *Did the regulator's approval of the new standard ended the uncertainty.*

Review 2 Edit + write

D. Editing challenge 编辑挑战

Did it has been suggested that the current threshold is too low. Because having completed the audit, the team issued its findings. Did reliable evidence supports careful decision-making.

E. Independent writing 独立写作

Write 100–150 words. Use at least four different grammar choices from this review and underline them.

Review reflection 复习反思

Name one contrast you can now explain and one form that needs another loopback.

写出一个你现在能解释的语法对比，以及一个需要再次复习的结构。

Unit 15 Rhetorical information structure

修辞性信息结构

Arrange given/new, light/heavy and contrastive information for rhetorical purpose.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
It-cleft it 分裂句	Use an it-cleft to place contrastive focus on one constituent without changing the basic proposition. 用 it 分裂句把对比焦点放在一个成分上，同时保持基本命题不变。	It was the second trial that revealed the fault.
Wh-cleft wh 分裂句	Use a wh-cleft to introduce a known issue and place new information after be. 用 wh 分裂句引出已知问题，并把新信息放在 be 之后。	What the team needs is a clearer sampling plan.
Fronted adverbial 前置状语	Front an adverbial to establish a frame, then punctuate it clearly before the main clause. 把状语前置以建立语篇框架，并在主句前清楚使用标点。	After the second review, the committee approved the protocol.
End weight 尾重原则	Place long or complex new information later when this improves processing. 较长或复杂的新信息放在后部能改善理解时，应遵循尾重原则。	The analysis revealed a pattern that had not appeared in the pilot data.

Remember 记住

Use an it-cleft to place contrastive focus on one constituent without changing the basic proposition.

用 it 分裂句把对比焦点放在一个成分上，同时保持基本命题不变。

Quick check 快速检查

1. Which sentence best shows It-cleft?

(A) What the team needs is a clearer sampling plan. (B) It was the second trial that revealed the fault. (C) After the second review, the committee approved the protocol.

Unit 15 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows It-cleft?

(A) What the team needs is a clearer sampling plan. (B) It was the second trial that revealed the fault. (C) After the second review, the committee approved the protocol.

2. Which sentence best shows Wh-cleft?

(A) It was the second trial that revealed the fault. (B) What the team needs is a clearer sampling plan. (C) After the second review, the committee approved the protocol.

3. Which sentence best shows Fronted adverbial?

(A) It was the second trial that revealed the fault. (B) What the team needs is a clearer sampling plan. (C) After the second review, the committee approved the protocol.

4. Which sentence best shows End weight?

(A) The analysis revealed a pattern that had not appeared in the pilot data. (B) It was the second trial that revealed the fault. (C) What the team needs is a clearer sampling plan.

B. Complete the sentence 完成句子

1. It was _____ that revealed the fault.
2. _____ is a clearer sampling plan.
3. _____, the committee approved the protocol.
4. The analysis revealed _____.

Unit 15 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *It-cleft*: *It was the fault that revealed the fault.*

Rewrite 改写:

2. Rewrite to show *Wh-cleft*: *The team what needs is a clearer sampling plan.*

Rewrite 改写:

3. Rewrite to show *Fronted adverbial*: *The committee after the second review, the committee approved the protocol.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *It-cleft* and one showing *Wh-cleft*.

2. Recast a paragraph for three different emphasis patterns.

Useful stage-bank language: construct validity, external validity, statistical power

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 16 Emphasis, limitation and scalar focus

强调、限制与程度焦点

Strengthen or limit a claim precisely without rhetorical overstatement.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Do-emphasis do 强调	Use emphatic do to correct an assumption or strongly confirm a finite verb, not as routine decoration. 用强调助动词 do 纠正假设或强力确认限定动词，不要把它当作常规装饰。	The revised procedure does reduce processing time.
Not only ... but also not only...but also 结构	Use inversion after a fronted not only and keep the paired structures parallel. not only 前置时使用倒装，并保持成对结构平行。	Not only did the policy reduce costs, but it also improved access.
Qualified comparison 限定性比较	Use modifiers such as slightly, considerably or far to show the size of a difference. 用 slightly、considerably、far 等修饰语表示差异大小。	The second method was considerably more accurate.
Scalar limitation 程度限制	Use only, merely, at least or no more than to locate a claim precisely on a scale. 用 only、merely、at least 或 no more than 把观点精确定位在程度尺度上。	The change affected only a small proportion of participants.

Remember 记住

Use emphatic do to correct an assumption or strongly confirm a finite verb, not as routine decoration.

用强调助动词 do 纠正假设或强力确认限定动词，不要把它当作常规装饰。

Quick check 快速检查

1. Which sentence best shows Do-emphasis?

(A) Not only did the policy reduce costs, but it also improved access. (B) The second method was considerably more accurate. (C) The revised procedure does reduce processing time.

Unit 16 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Do-emphasis?

(A) Not only did the policy reduce costs, but it also improved access. (B) The revised procedure does reduce processing time. (C) The second method was considerably more accurate.

2. Which sentence best shows Not only ... but also?

(A) The revised procedure does reduce processing time. (B) The second method was considerably more accurate. (C) Not only did the policy reduce costs, but it also improved access.

3. Which sentence best shows Qualified comparison?

(A) The second method was considerably more accurate. (B) The revised procedure does reduce processing time. (C) Not only did the policy reduce costs, but it also improved access.

4. Which sentence best shows Scalar limitation?

(A) The revised procedure does reduce processing time. (B) The change affected only a small proportion of participants. (C) Not only did the policy reduce costs, but it also improved access.

B. Complete the sentence 完成句子

1. The revised procedure _____ processing time.
2. Not only _____ costs, but it also improved access.
3. The second method was _____.
4. The change affected _____ of participants.

Unit 16 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Do-emphasis*: *The revised procedure reduces indeed processing time.*

Rewrite 改写:

2. Rewrite to show *Not only ... but also*: *Not only the policy reduced costs, but it also improved access.*

Rewrite 改写:

3. Rewrite to show *Qualified comparison*: *The second method was more considerably accurate.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing *Do-emphasis* and one showing *Not only ... but also*.

2. Revise a speech/argument paragraph for controlled emphasis.

Useful stage-bank language: due process, legal precedent, statutory duty

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 17 Logical relations and grammatical level

逻辑关系与语法层级

Choose the grammatical level that best balances explicit logic, cohesion and density.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Reason: clause or phrase 原因：从句或短语	Use because + clause but because of/due to + noun phrase. because 后接从句；because of/due to 后接名词短语。	The event was postponed because the venue was unavailable.
Result 结果	Use so + adjective/adverb + that, or such + noun phrase + that, to express a strong result. so + 形容词/副词 + that 或 such + 名词短语 + that 可表达强烈结果。	The instructions were so clear that everyone finished on time.
Concession 让步	Use although/even though + clause but despite/in spite of + noun phrase or -ing. although/even though 后接从句；despite/in spite of 后接名词短语或 -ing。	Despite facing several delays, the team completed the project.
Purpose 目的	Use to/in order to + verb, or so that + clause, to express purpose. to/in order to + 动词 或 so that + 从句 用于表达目的。	We repeated the test so that we could verify the result.

Remember 记住

Use because + clause but because of/due to + noun phrase.

because 后接从句；because of/due to 后接名词短语。

Quick check 快速检查

1. Which sentence best shows Reason: clause or phrase?

(A) The event was postponed because the venue was unavailable. (B) The instructions were so clear that everyone finished on time. (C) Despite facing several delays, the team completed the project.

Unit 17 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Reason: clause or phrase?

(A) The instructions were so clear that everyone finished on time. (B) Despite facing several delays, the team completed the project. (C) The event was postponed because the venue was unavailable.

2. Which sentence best shows Result?

(A) The instructions were so clear that everyone finished on time. (B) The event was postponed because the venue was unavailable. (C) Despite facing several delays, the team completed the project.

3. Which sentence best shows Concession?

(A) The event was postponed because the venue was unavailable. (B) Despite facing several delays, the team completed the project. (C) The instructions were so clear that everyone finished on time.

4. Which sentence best shows Purpose?

(A) The event was postponed because the venue was unavailable. (B) We repeated the test so that we could verify the result. (C) The instructions were so clear that everyone finished on time.

B. Complete the sentence 完成句子

1. The event was postponed _____.
2. The instructions were _____ everyone finished on time.
3. _____ several delays, the team completed the project.
4. We repeated the test _____ the result.

Unit 17 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Reason: clause or phrase: *The event was postponed because of the venue was unavailable.*

Rewrite 改写:

2. Rewrite to show Result: *The instructions were such clear that everyone finished on time.*

Rewrite 改写:

3. Rewrite to show Concession: *Although facing several delays, the team completed the project.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Reason: clause or phrase and one showing Result.

2. Transform a reasoning chain across three grammatical versions.

Useful stage-bank language: negotiating leverage, principled negotiation, reciprocal concession

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 18 Cohesion across paragraphs

跨段落衔接

Reduce repetition while ensuring every reference and omission is recoverable.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Reference chain 指代链	Keep pronouns and demonstratives linked to one clear noun or idea. 代词和指示词必须清楚地指向一个名词或概念。	The proposal was revised, and this made it clearer.
Substitution 替代	Use one/ones, so, not or do so to avoid unnecessary repetition when the reference is clear. 指代清楚时，可用 one/ones、so、not 或 do so 避免不必要重复。	Some groups repeated the test, but ours did not do so.
Ellipsis 省略	Omit repeated words only when the missing meaning can be recovered easily. 只有在缺失信息容易恢复时，才能省略重复词语。	The first method was reliable; the second, less so.
Parallel coordination 平行并列	Coordinate elements with matching grammatical form when they serve the same function. 功能相同的并列成分应使用匹配的语法形式。	The role involves planning lessons, supporting teachers and reviewing data.

Remember 记住

Keep pronouns and demonstratives linked to one clear noun or idea.

代词和指示词必须清楚地指向一个名词或概念。

Quick check 快速检查

1. Which sentence best shows Reference chain?

(A) Some groups repeated the test, but ours did not do so. (B) The proposal was revised, and this made it clearer. (C) The first method was reliable; the second, less so.

Unit 18 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Reference chain?

(A) The proposal was revised, and this made it clearer. (B) Some groups repeated the test, but ours did not do so. (C) The first method was reliable; the second, less so.

2. Which sentence best shows Substitution?

(A) The proposal was revised, and this made it clearer. (B) Some groups repeated the test, but ours did not do so. (C) The first method was reliable; the second, less so.

3. Which sentence best shows Ellipsis?

(A) The proposal was revised, and this made it clearer. (B) The first method was reliable; the second, less so. (C) Some groups repeated the test, but ours did not do so.

4. Which sentence best shows Parallel coordination?

(A) The proposal was revised, and this made it clearer. (B) Some groups repeated the test, but ours did not do so. (C) The role involves planning lessons, supporting teachers and reviewing data.

B. Complete the sentence 完成句子

1. The proposal was revised, and _____ made it clearer.
2. Some groups repeated the test, but ours did not _____.
3. The first method was reliable; _____.
4. The role involves _____.

Unit 18 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Reference chain: *The proposal was revised, and these made it clearer.*

Rewrite 改写:

2. Rewrite to show Substitution: *Some groups repeated the test, but ours did not do it so.*

Rewrite 改写:

3. Rewrite to show Ellipsis: *The first method was reliable; the second was less.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Reference chain and one showing Substitution.

2. Edit a sustained text and map its cohesion chains.

Useful stage-bank language: shape organisational culture, build change readiness, practise adaptive leadership

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 19 Parallel grammar and balance

平行语法与结构平衡

Use parallel grammar to make complex relationships easy to follow.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Parallel list 平行列举	Use the same grammatical category for items that perform the same function in a list. 列举中功能相同的项目应使用相同语法类别。	The study measured accuracy, speed and user confidence.
Paired conjunction 成对连词	Keep structures after both ... and, either ... or and neither ... nor grammatically parallel. both...and、either...or 和 neither...nor 后的结构应保持语法平行。	The revision improved both the clarity of the guide and the accuracy of the examples.
Balanced clauses 平衡分句	Coordinate clauses of comparable status with matching structure when the relationship is balanced. 关系平衡的同级分句应使用匹配结构并列。	The first model predicts short-term demand, whereas the second estimates long-term growth.
Correlative comparison 关联比较	Use the + comparative, the + comparative with two grammatically parallel comparative clauses. the + 比较级, the + 比较级结构中的两个比较分句应保持平行。	The more precisely we define the category, the more consistently coders apply it.

Remember 记住

Use the same grammatical category for items that perform the same function in a list.

列举中功能相同的项目应使用相同语法类别。

Quick check 快速检查

1. Which sentence best shows Parallel list?

(A) The revision improved both the clarity of the guide and the accuracy of the examples. (B) The first model predicts short-term demand, whereas the second estimates long-term growth. (C) The study measured accuracy, speed and user confidence.

Unit 19 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Parallel list?

(A) The revision improved both the clarity of the guide and the accuracy of the examples. (B) The study measured accuracy, speed and user confidence. (C) The first model predicts short-term demand, whereas the second estimates long-term growth.

2. Which sentence best shows Paired conjunction?

(A) The study measured accuracy, speed and user confidence. (B) The revision improved both the clarity of the guide and the accuracy of the examples. (C) The first model predicts short-term demand, whereas the second estimates long-term growth.

3. Which sentence best shows Balanced clauses?

(A) The study measured accuracy, speed and user confidence. (B) The revision improved both the clarity of the guide and the accuracy of the examples. (C) The first model predicts short-term demand, whereas the second estimates long-term growth.

4. Which sentence best shows Correlative comparison?

(A) The more precisely we define the category, the more consistently coders apply it. (B) The study measured accuracy, speed and user confidence. (C) The revision improved both the clarity of the guide and the accuracy of the examples.

B. Complete the sentence 完成句子

1. The study measured _____.
2. The revision improved _____.
3. The first model _____.
4. _____.

Unit 19 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show *Parallel list*: *The study measured accuracy, working quickly and users were confident.*

Rewrite 改写:

2. Rewrite to show *Paired conjunction*: *The revision improved both the guide was clearer and the accuracy of the examples.*

Rewrite 改写:

3. Rewrite to show *Balanced clauses*: *The first model predicts short-term demand, whereas long-term growth by the second.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing **Parallel list** and one showing **Paired conjunction**.

2. Repair and then use parallel structures in a formal recommendation.

Useful stage-bank language: thesis architecture, paragraph coherence, conceptual thread

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 20 Grammar across registers

跨语域语法选择

Transform a message across registers while preserving content and avoiding artificial formality.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Spoken interaction 口语互动	Spoken grammar may use contractions and shorter coordination when relationship and context remain clear. 口语语法可用缩写和较短的并列结构，但关系和语境仍须清楚。	We can't finalise it yet because two figures are missing.
Neutral written register 中性书面语域	Use direct finite clauses and explicit links for clear general written communication. 一般书面沟通中，用直接的限定分句和明确连接。	We cannot finalise the report yet because two figures are missing.
Formal institutional register 正式机构语域	Use formal vocabulary and impersonal patterns only when they serve the audience and purpose. 只有在符合受众和目的时，才使用正式词汇和非人称结构。	Completion of the report is pending receipt of two figures.
Academic qualification 学术限定	In academic prose, make the evidence source, scope and degree of certainty explicit. 学术语篇中要明确证据来源、适用范围和确定程度。	Within this sample, the available evidence suggests a modest improvement.

Remember 记住

Spoken grammar may use contractions and shorter coordination when relationship and context remain clear.

口语语法可用缩写和较短的并列结构，但关系和语境仍须清楚。

Quick check 快速检查

1. Which sentence best shows Spoken interaction?

(A) We can't finalise it yet because two figures are missing. (B) We cannot finalise the report yet because two figures are missing. (C) Completion of the report is pending receipt of two figures.

Unit 20 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Spoken interaction?

(A) We cannot finalise the report yet because two figures are missing. (B) We can't finalise it yet because two figures are missing. (C) Completion of the report is pending receipt of two figures.

2. Which sentence best shows Neutral written register?

(A) We can't finalise it yet because two figures are missing. (B) Completion of the report is pending receipt of two figures. (C) We cannot finalise the report yet because two figures are missing.

3. Which sentence best shows Formal institutional register?

(A) Completion of the report is pending receipt of two figures. (B) We can't finalise it yet because two figures are missing. (C) We cannot finalise the report yet because two figures are missing.

4. Which sentence best shows Academic qualification?

(A) We can't finalise it yet because two figures are missing. (B) Within this sample, the available evidence suggests a modest improvement. (C) We cannot finalise the report yet because two figures are missing.

B. Complete the sentence 完成句子

1. We _____ it yet because two figures are missing.
2. We _____ two figures are missing.
3. Completion of the report _____ two figures.
4. _____, the available evidence suggests a modest improvement.

Unit 20 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Spoken interaction: *We cannot be in a position to finalise it yet because two figures are missing.*

Rewrite 改写:

2. Rewrite to show Neutral written register: *We can't finalise it yet 'cause two figures are missing.*

Rewrite 改写:

3. Rewrite to show Formal institutional register: *Completion of the report waits for two figures.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Spoken interaction and one showing Neutral written register.

2. Create spoken, neutral-email and formal-report versions of one message.

Useful stage-bank language: strategic foresight, geopolitical realignment, multilateral institution

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Unit 21 Editing for precision and clarity

精确与清晰的编辑

Diagnose why a sentence is unclear or misleading and choose the smallest effective repair.

先理解意义，再比较形式，并在真实语境中作出准确选择。

Grammar idea 语法点	Meaning / rule 含义与规则	Example 例句
Agreement repair 一致关系修复	Identify the grammatical head of the subject before changing the finite verb. 修改限定动词前，先确定主语的语法中心词。	The number of incomplete responses has fallen.
Modifier attachment 修饰语附着	Place a modifier next to the word or clause it logically modifies. 把修饰语放在其逻辑上所修饰的词或分句旁边。	Using the revised protocol, the team obtained consistent readings.
Reference scope 指称范围	Replace a vague pronoun or demonstrative when more than one possible antecedent exists. 存在多个可能先行项时，应替换含糊的代词或指示词。	The revised sampling rule reduced the delay, and this change improved participation.
Sentence boundary 句子边界	Use a full stop, semicolon or suitable connector between independent clauses. 独立分句之间使用句号、分号或合适的连接词。	The estimate was revised; the conclusion remained unchanged.

Remember 记住

Identify the grammatical head of the subject before changing the finite verb.

修改限定动词前，先确定主语的语法中心词。

Quick check 快速检查

1. Which sentence best shows Agreement repair?

- (A) Using the revised protocol, the team obtained consistent readings. (B) The number of incomplete responses has fallen.
(C) The revised sampling rule reduced the delay, and this change improved participation.

Unit 21 Practice 1 练习一

Choose for meaning, then build the form.

先根据语境选择，再准确构建语法形式。

A. Choose the best answer 选择最佳答案

1. Which sentence best shows Agreement repair?

(A) Using the revised protocol, the team obtained consistent readings. (B) The revised sampling rule reduced the delay, and this change improved participation. (C) The number of incomplete responses has fallen.

2. Which sentence best shows Modifier attachment?

(A) Using the revised protocol, the team obtained consistent readings. (B) The number of incomplete responses has fallen. (C) The revised sampling rule reduced the delay, and this change improved participation.

3. Which sentence best shows Reference scope?

(A) The number of incomplete responses has fallen. (B) The revised sampling rule reduced the delay, and this change improved participation. (C) Using the revised protocol, the team obtained consistent readings.

4. Which sentence best shows Sentence boundary?

(A) The number of incomplete responses has fallen. (B) The estimate was revised; the conclusion remained unchanged. (C) Using the revised protocol, the team obtained consistent readings.

B. Complete the sentence 完成句子

- The number of incomplete responses _____.
- Using the revised protocol, _____ consistent readings.
- The revised sampling rule reduced the delay, and _____ improved participation.
- The estimate was revised _____ the conclusion remained unchanged.

Unit 21 Practice 2 练习二

Fix or improve the sentence, then use the grammar yourself.

先纠正或优化不合语境的表达，再在自己的语言中使用语法。

C. Fix or improve it 改错或优化

1. Rewrite to show Agreement repair: *The number of incomplete responses have fallen.*

Rewrite 改写:

2. Rewrite to show Modifier attachment: *Using the revised protocol, consistent readings were obtained consistent readings.*

Rewrite 改写:

3. Rewrite to show Reference scope: *The revised sampling rule reduced the delay, and this improved participation.*

Rewrite 改写:

D. Use it 自己使用

1. Write one sentence showing Agreement repair and one showing Modifier attachment.

2. Edit a flawed multi-paragraph text and justify minimal repairs.

Useful stage-bank language: strategic foresight, geopolitical realignment, multilateral institution

Self-check 自我检查

☐ I chose from meaning. ☐ I checked the full clause. ☐ I can explain one correction.

☐ 我根据意思选择。 ☐ 我检查了完整分句。 ☐ 我能解释一个改错。

Review 3 Units 15-21

Work without unit headings. Choose from meaning, time reference and information focus.

不看单元标题，根据意义、时间参照和信息焦点作出选择。

A. Mixed choices 混合选择

1. Choose the grammatically accurate sentence.

(A) The analysis revealed a pattern that had not appeared in the pilot data. (B) Did the analysis revealed a pattern that had not appeared in the pilot data. (C) Because the analysis revealed a pattern that had not appeared in the pilot data.

2. Choose the grammatically accurate sentence.

(A) Did the event was postponed because the venue was unavailable. (B) The event was postponed because the venue was unavailable. (C) Because the event was postponed because the venue was unavailable.

3. Choose the grammatically accurate sentence.

(A) Did some groups repeated the test, but ours did not do so. (B) Because some groups repeated the test, but ours did not do so. (C) Some groups repeated the test, but ours did not do so.

4. Choose the grammatically accurate sentence.

(A) The first model predicts short-term demand, whereas the second estimates long-term growth. (B) Did the first model predicts short-term demand, whereas the second estimates long-term growth. (C) Because the first model predicts short-term demand, whereas the second estimates long-term growth.

5. Choose the grammatically accurate sentence.

(A) Did within this sample, the available evidence suggests a modest improvement. (B) Within this sample, the available evidence suggests a modest improvement. (C) Because within this sample, the available evidence suggests a modest improvement.

6. Choose the grammatically accurate sentence.

(A) Did it was the second trial that revealed the fault. (B) Because it was the second trial that revealed the fault. (C) It was the second trial that revealed the fault.

7. Choose the grammatically accurate sentence.

(A) Not only did the policy reduce costs, but it also improved access. (B) Did not only did the policy reduce costs, but it also improved access. (C) Because not only did the policy reduce costs, but it also improved access.

8. Choose the grammatically accurate sentence.

(A) Did despite facing several delays, the team completed the project. (B) Despite facing several delays, the team completed the project. (C) Because despite facing several delays, the team completed the project.

9. Choose the grammatically accurate sentence.

(A) Did the role involves planning lessons, supporting teachers and reviewing data. (B) Because the role involves planning lessons, supporting teachers and reviewing data. (C) The role involves planning lessons, supporting teachers and reviewing data.

10. Choose the grammatically accurate sentence.

(A) We can't finalise it yet because two figures are missing. (B) Did we can't finalise it yet because two figures are missing. (C) Because we can't finalise it yet because two figures are missing.

11. Choose the grammatically accurate sentence.

(A) Did using the revised protocol, the team obtained consistent readings. (B) Using the revised protocol, the team obtained consistent readings. (C) Because using the revised protocol, the team obtained consistent readings.

12. Choose the grammatically accurate sentence.

(A) Did after the second review, the committee approved the protocol. (B) Because after the second review, the committee approved the protocol. (C) After the second review, the committee approved the protocol.

Review 3 Build + repair

B. Build it 构建语法

1. The analysis revealed _____.
